### **HOURS AND OVERTIME**

#### **6.1 Workweek**

The workweek of a classified employee, as defined in Section 45103 or Section 45256, shall be forty (40) hours. The workday shall be eight (8) hours. These provisions do not restrict the extension of a regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District. Nothing in this section shall be deemed to bar the District from establishing a workday of less than eight (8) hours or a workweek of less than forty (40) hours for all or any of its classified positions.

(Exception - See 6.20 Flexible Hours)

#### **6.2 Workday**

The length of the workday shall be set by the District for each unit member. Each bargaining unit employee shall be assigned a fixed, regular and ascertainable minimum number of hours, which shall be not over a period of more than five (5) consecutive days.

621       Members of Unit-2 will be provided with notification of the starting date, times and hours of employment at least 20 working days prior to the start of the work year. After the start of the work year, unit members will be notified of changes or adjustments to the schedule at least 10 working days prior to any change. No reduction in hours shall occur except in accordance with applicable rules and Article 19.7 of this Agreement. The notification period may be waived by mutual agreement of the unit member and the immediate supervisor. Normally, but not as a binding practice, the starting date will be the first day students report to school.

#### **6.3 Adjustment of Assigned Time**

Any employee in the bargaining unit who works an minimum of thirty (30) minutes or more per day in excess of his or her regular part-time assignment for twenty (20) working days or more shall have his or her regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

## **6.4 Increase in Hours**

### **641 For unit - 1**

When additional hours are available to a part-time position on a regular basis, the hours shall be offered to the employee in the unassigned time with the greatest bargaining unit seniority. If the senior employee declines the assignment, it shall be offered to the remaining employees in the class in descending order of bargaining unit seniority until the assignment is made.

### **642 For Unit - 2**

When additional hours are available to a part-time position on a regular basis, every effort will be made to give the hours to the employee at the site in the appropriate class, with the appropriate skills, with the greatest bargaining unit seniority. If the senior employee declines the assignment, the above mentioned criteria will be used in offering the hours to other employees.

## **6.5 Lunch period**

651 Any employee covered by this Agreement shall be entitled to an uninterrupted, unpaid lunch period after the employee has been on duty for five (5) hours. The length of time for such lunch period shall be for no longer than one (1) hour, or less than one-half ( $\frac{1}{2}$ ) hour, and shall be scheduled for full-time employees at or about the midpoint of each work shift.

652 A full-time employee required to work during his or her lunch period shall receive pay at the rate of time and one-half ( $1\frac{1}{2}$ ) the regular rate of pay during the normal lunch period.

## **6.6 Rest periods**

661 All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period as provided for in Section 6.6.3, at the rate of fifteen (15) minutes per three and one-half ( $3\frac{1}{2}$ ) hours worked or major fraction thereof.

662 Rest periods of a total of thirty (30) minutes for full-time employees on evening or special work shifts shall be scheduled following consultation between the employee and the employee's supervisor.

663 Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.

## **6.7 Rest Facilities**

The District shall make available at each work site adequate lunch room and rest room for classified employee use.

## **6.8 Voting Time Off**

If an employee's work schedule is such that it does not allow enough time to vote in any federal, state or local election in which the employee is entitled to vote, the District shall arrange to allow enough time for such voting by the employee without loss of pay.

## **6.9 Overtime**

Except as otherwise provided herein, all overtime hours as defined in this section shall be compensated at a rate of pay equal to time and one-half (1 ½) the regular rate of pay for all work suffered or permitted. Overtime is defined to include any time worked in excess of eight (8) hours in any one day or on any one shift or in excess of forty (40) hours in any calendar week, whether such hours are worked prior to the commencement of a regular assigned starting time or subsequent to the assigned quitting time.

(Exception - See 6.20 Flexible Hours)

691 All hours worked beyond the workweek of five (5) consecutive days shall be compensated at the overtime rate commencing on the sixth consecutive day of work.

692 All hours worked on the seventh consecutive day of work up to seven and one-half (7 ½) hours shall be compensated at double the regular rate of pay.

693 All hours worked in excess of seven and one-half hours (7 ½) hours on the sixth and seventh consecutive day shall be compensated at two and one-half (2 ½) times the regular rate of pay.

694 All hours worked on holidays designated by this Agreement shall be compensated at two and one-half (2 ½) times the regular rate of pay.

#### **6.10 Split Shift Differential - Compensation**

All employees in the bargaining unit whose assigned shift contains at least one (1) unpaid period of one (1) hour or more shall be paid a shift differential premium of five (5%) percent above the regular rate of pay for all hours worked.

#### **6.11 Shift Differential - Compensation**

Any employee in the bargaining unit whose assigned work shift commences (for unit-1) prior to 5:30 a.m. or whose work shift ends after 5:30 p.m., or (for unit-2 members) commences after 2:00 p.m. shall be paid a shift differential premium of five (5%) percent above the regular rate of pay for all hours worked.

##### Split Site Differential

611.1 All employees who are required to work at two (2) different work sites (Strand and another site) in the same day shall be paid a split site differential of five percent (5%) in addition to their regular salary plus mileage.

#### **6.12 Compensatory Time**

Compensatory time shall be taken at a time mutually acceptable to the employee in the bargaining unit and the District within twelve (12) months of the date on which it was earned. If the compensatory time has not been taken within twelve (12) months of the date on which it was earned, the District shall pay the employee in cash for all such time at the appropriate overtime rate based on the employee's current rate of pay.

#### **6.13 Overtime - Distribution by Seniority**

Overtime shall be distributed to employees in the bargaining unit within each department in order of bargaining unit seniority based on qualifications and availability. Each semester employees will be given the opportunity to indicate their interest in overtime. Site training, where necessary, will be conducted during the summer and at least once a semester to qualify the employee. In the event that an employee is absent during a training session, every reasonable effort shall be made to provide training to the interested employee at the earliest opportunity for both parties. If the employee with the greatest bargaining unit seniority elects to refuse the overtime assignment, it shall be offered to employees in the bargaining unit in descending order of seniority until the assignment is made. Refusal by a senior employee in the bargaining unit of any overtime assignment shall not waive his or her right under this section to be offered any subsequent overtime assignment in order of seniority. The number of consecutive days of overtime an employee may work may not exceed 6 unless there is refusal by all other members of the bargaining unit or extenuating circumstances.

**6.14 Minimum Call-In Time**

Any employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of four (4) hours pay at the appropriate rate of pay under this Agreement or the normal daily assignment, whichever is less.

**6.15 Right of Refusal**

Except in cases of emergencies, an employee shall have the right to reject any offer or request for overtime or call-back, on-call or call-in time.

**6.16 Stand-By Time**

All standby time shall be considered as regular hours worked and shall be compensated on a straight time or overtime basis as are other hours worked under this Agreement.

**6.17 Call-Back Time**

Any employee called back to work after completion of his or her regular assignment shall be compensated for at least two (2) hours, plus travel time paid at the overtime rate, irrespective of the actual time worked.

**6.18 Non-Regular Session Assignment**

When work normally and customarily performed by bargaining unit employees is required to be performed at times other than during a regular academic year, the work shall be assigned to bargaining unit employees in the appropriate classification(s) as provided in this section.

6.18.1 When necessary to assign bargaining unit employees not regularly so assigned to serve during a non-regular session, the assignment shall be made in order of bargaining unit seniority from a list of employees who have applied for the vacancies.

6.18.2 An employee who accepts a non-regular session assignment in accordance with the provisions of this section shall receive, on a pro rata basis, no less than the compensation and benefits applicable to that classification during the regular academic year, and in no event shall his or her compensation and benefits be less, on a prorated basis, than the compensation and benefits he or she was receiving immediately prior to the commencement of the non-regular session assignment.

No prorating compensation and benefits shall be applied on any basis other than on the relationship which the number of hours assigned for non-regular session employment bears to the number of hours assigned to the employee during the regular September-June academic year.

6.183 All hours assigned to an employee for a non-regular session assignment shall be considered "hours in paid status" for the purposes of this Agreement.

6.184 If a part-time employee's average paid time, excluding overtime for which the employee receives compensation at a rate of least equal to time and one-half, exceeds his or her average assigned time by 50 minutes or more per working day in any quarter, the hours paid per day for compensable leaves of absence and holidays in the succeeding quarter shall be equivalent to the average hours paid per working day in the preceding quarter, excluding overtime.

6.185 Except where vacation entitlement is accrued on the basis of actual hours of paid regular service, vacation entitlement shall be based on the average number of hours worked per working day during the portion of the school year in which the employee is assigned to duty.

## **6.19 Vacation**

- 6.197 Earned vacation will not become a vested right for unit members until completion of the unit member's initial six (6) months of employment with the District. Unit members who have rendered continuous paid service of six (6) months or more will be allowed termination pay for unused but earned current year's vacation.
- 6.198 A unit member who has rendered five (5) years of service and wishes to accumulate ten (10) days of his or her vacation time may do so by written request approved by his or her supervisor and the superintendent. The accrued ten (10) days must be taken not later than the end of the next fiscal year. This time may be added to the following year's accrued vacation.
- 6.199 Vacations for unit members who are assigned to ten (10), 10.5, or eleven (11) month work years shall be taken on specified dates indicated on the CUSD Student and Employee Calendar. During these "specified" dates, it is at the discretion of the employee to use either vacation or leave without pay. Sections 6.19.8 and 6.19.10 shall apply to earned vacation time in excess of that which is used on these dates.
- 6.19.10 Employees shall have the right to use their vacation at any time during the year with due consideration given to the workload.
- 6.19.11 Overtime work shall not be counted in determining vacation entitlement.

6.19.12 Vacation may, with the approval of the employer, be taken at any time during the school year. If the employee is not permitted to take his full annual vacation, the amount not taken shall accumulate for use in the next year.

Employees who work less than 12 months, who are other than school day only employees, may have their unused vacation paid off, by written request, at the end of the fiscal year.

## **6.20 Flexible Hours**

6.20.1 This article expands the definition of workday in paragraph 6.1 and overtime hours in paragraph 6.9.

6.20.2 The District is permitted to offer a flexible work schedule to those employees who express a desire to work this type of schedule.

6.20.3 The flexible schedule permits an increase in the number of hours worked per day (without the requirement for the District to pay overtime), which could result in a reduction of days worked per week, so long as the total number of hours per week remain the same. Other provisions for overtime pay remain unchanged.

6.20.4 Participation in a flexible work schedule is voluntary on the part of the employee when offered by the District.

6.20.5 If the District or the employee determine it is not in their best interests to continue with an agreed upon flexible work schedule, the employees work schedule shall revert to the same number of hours per day and days per week as was being worked before the flexible schedule was implemented.

6.20.7 The above provisions shall be interpreted in a manner that is consistent with applicable law.

## **ARTICLE X**

### **LEAVES**

#### **10.1 Sick Leave**

- 10.1.1 Subject to the terms of this Agreement, the Board shall provide for a paid leave of absence from duty for any unit member who is compelled to be absent from duty because of accident, illness, or quarantine.
- 10.1.2 Unit members employed five (5) days per week are entitled to twelve (12) days sick leave each fiscal year beginning on the first day of employment. Unit members employed for the full school year for less than five (5) days per week are entitled to twelve (12) days divided by five (5) days and multiplied by the number of days worked per week each school year.
- 10.1.3 Sick leave shall be accumulative from year to year.
- 10.1.4 Unit members who work five (5) days per week but for less than a full-time are entitled each year to twelve (12) days of sick leave equal in length to the length of the day regularly worked. Should a unit member be transferred to a day of greater or lesser time, the number of accumulated sick leave days will be changed to reflect the actual hours of sick leave earned. These hours will then be converted into days of appropriate length. (EXAMPLE: An employee working four (4) hours per day has accumulated twelve (12) days of sick leave. This is a total of forty-eight (48) hours sick leave. The employee is then assigned an additional two (2) hours. The employee is now working six (6) hours per day. The forty-eight (48) hours accumulated before will be adjusted to eight (8) days at the longer assignment. The total sick leave is still forty-eight (48) hours).
- 10.1.5 Unit members newly hired for less than a full work year shall earn sick leave in direct proportion to that earned by a person employed a full year in the same position. However, a new employee of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which he may be entitled under this section, until the first day of the calendar month after completion of six (6) months of active service with the District.

- 10.1.6 Once each fiscal year, the regular unit member shall be credited with one hundred (100) days of sick leave at half pay; in addition to their accumulated regular sick leave "bank." Half-pay sick leave shall not be cumulative and shall not be used until all full-pay sick leave has been exhausted. The paid sick leave provided for in this section shall be in addition to other paid leaves provided for in this article. A unit member may, upon request, use any vacation to which he is entitled after exhausting his full-pay sick leave and before starting half-pay sick leave.
- 10.1.7 A permanent unit member who has exhausted all entitlement to sick leave, vacation, compensated overtime, non-industrial accident or illness, may be granted additional leave, paid or unpaid, not to exceed six (6) months. The Board may renew the leave of absence, paid or unpaid, for two (2) additional six (6) month periods or such lesser leave periods that it may provide but not to exceed a total of eighteen (18) months.
- 10.1.8 A unit member, upon ability to resume the duties of a position within the classification to which he was assigned, may do so at any time during the leave of absence granted under this section and any time lost shall not be considered a break in service. Any employee who has been absent for more than ten (10) consecutive work days may be required to provide medical clearance to return to work and/or to be subject to a fitness-for-duty examination arranged and paid for by the District.
- 10.1.9 If, after using all leaves of absence, paid or unpaid, the unit member is still unable to assume the duties of his position; he shall be placed on a reemployment list for a period of thirty-nine (39) months.
- 10.1.10 If at any time during the proscribed thirty-nine (39) months, the unit member can assume the duties of his position, he shall be reemployed in the first vacancy in the classification of his previous assignment. The re-employment will take preference over all other applicants except those laid off for lack of work or lack of funds in which case he shall be ranked according to his proper seniority.

Upon resumption of his duties, the break in service will be disregarded and he shall be fully restored as a permanent employee. The District may require medical clearance for the employee to return to work or a fitness-for-duty examination arranged and paid for by the District.

- 10.1.11 Unit members absent more than three (3) consecutive days may be required to submit a physician's statement or that of a person authorized by a well- organized religious sect, denomination or organization to treat people stating the reason for absence and the date of illness. The District need not assume that a unit member's statement established disability conclusively, but may require a review and examination by a physician selected by the District or a practitioner of the unit member's faith selected by the District.
- 10.1.12 A sick leave absence shall begin when the unit member or agent of the unit member calls in to report the absence. A sick leave day, once started may not be reinstated as a working day without approval of the Superintendent or his designated representative. A unit member must utilize the District's absence notification system either online or via the toll-free phone number at least two (2) hours before the unit member's designated start time. The two (2) hour notification may be waived in the event of serious unforeseen circumstances beyond the unit member's control. Repeated (more than once) failure to notify the immediate supervisor or designated representative, of an absence, at least two hours before the unit member's designated start time may be cause for disciplinary action.
- 10.1.13 Whatever the claim of disability, no day of absence shall be considered a sick leave day on which any employees of the District have engaged in a concerted work stoppage, unless the employee was legitimately absent the preceding day and provides such certification as is required by the Superintendent.
- 10.1.14 The personnel records of this District shall show the attendance of each employee, and such days as that employee may be absent for illness, accident or other cause. A record shall be maintained of earned but unused sick leave days accumulated by each employee.
- 10.1.15 Upon request by a unit member, and supported by a written certificate from a physician specifying illness on normal working days during a vacation period, the Superintendent may authorize either:
- (a) Extension of the vacation period by an equal number of working days.

(b) Equivalent time off at such time or times as the work needs of the District shall permit.

10.1.16 The decision of the Superintendent regarding 10.1.15 shall be based upon the unit member's attendance record, evaluations, the physician's certificate, and circumstances relating to the request.

10.1.17 The District may require a statement from a doctor or a medical practitioner for a sick leave of three (3) days or less if the District suspects abuse of sick leave; provided, however, that the District must first consult with an Association representative concerning that employee's absence.

10.1.18 Upon request, a regular classified employee who is evaluated by a physician(s) and determined to be incapable of performing his or her regular duties to injury or illness, may, with approval of the Board of Education, be reassigned to duties which he or she can perform. If the employee is reassigned to a position in a lower classification, the Board of Education shall continue to pay the employee the wage or salary of his or her former classification. Within six (6) months of reassignment, the employee shall be reevaluated by a physician, whose recommendation shall be considered in the Board's determination if the employee shall be returned to his or her former position. In any event, a classified employee's reassignment at his or her former (higher) salary shall be limited to a maximum of six (6) months.

## **10.2 Pregnancy Disability Leave/Maternity Leave**

10.2.1 The Board shall provide leaves of absence for any female classified employee of the District whose absence is required by pregnancy, miscarriage, or childbirth or recovery associated with any of the above. Such absence may be requested and granted only according to the provisions of the Agreement applicable to sick leave and uncompensated leave.

The pregnant unit member should advise her supervisors as soon as possible of her intent/need to take a leave of absence or to transfer due to pregnancy, childbirth or related medical conditions.

Unit members must provide at least oral notice, including the anticipation timing and duration of the leave, sufficient to notify the District of the need for a leave. Where the need for a leave of absence is foreseeable, unit members must provide such notice at least thirty (30) days prior to the date the leave is to begin. Where thirty (30) days advance notice is not possible, notice of the need for leave must be given as soon as practical.

10.2.2 This Article shall be implemented in conformity to current applicable laws concerning maternity and pregnancy disability leave when such laws differ from the contract language and as those laws may be amended from time to time.

10.2.3 Certification of Fitness

As a condition of taking a pregnancy disability leave or transfer, the unit member must provide medical certification from her health care provider that she is disabled due to pregnancy, childbirth or related medical conditions. However, pregnancy disability leave will not be denied in emergency situations or where the need for leave was otherwise unforeseeable, even if the unit member did not provide advance notice of the need for the leave or transfer.

The certification should include the date on which the unit member became disabled due to pregnancy; and the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer; and a statement that, due to the disability, the unit member is unable to work at all or to perform any one or more of the essential functions of her position without undue risk to herself, the successful completion of her pregnancy, or to other persons, or a statement that, due to pregnancy, the transfer is medically advisable. Recertification may be required where additional time is requested.

1024 Pregnancy Disability Leave

A pregnant classified employee shall be granted temporary disability leave of absence for disabilities associated with pregnancy, miscarriage, childbirth, or recovery associated with any of the above on the same basis as leave granted for any illness or Injury.

The classified employee and her physician or practitioner shall decide as far in advance of the anticipated date of childbirth as is feasible, the date on which her pregnancy will disable her from the performance of her duties and report that date to her supervisor so substitute services may be arranged. Similarly, the classified employee and her physician or practitioner shall determine and report the date on which she is likely to be physically capable of returning to her duties following the end of her pregnancy. In either case, the Board may verify the claim of the employee that she is disabled from the performance of her duties according to the procedures contained in Section 10.2.3.

1025 Extended Leave of Absence

A woman is “disabled by pregnancy” if, in the opinion of her health care provider, she is unable to work at all or is unable to perform one or more of the essential functions of her job or to perform these without undue risk to herself, the successful completion of her pregnancy, or to other persons. Pregnancy disability leave is available to probationary unit members upon the date of hire. Pregnancy disability leave is available to permanent unit members and will run concurrently with the Family Medical Leave Act (“FMLA”).

Pregnancy disability leave is for any period(s) of actual disability caused by pregnancy, childbirth, or related medical conditions. Where medically advisable, pregnancy disability leave may be taken for a reasonable period of time, up to four (4) months (or 88 work days for a full-time employee) per pregnancy. Leaves of absence taken in accordance with the Agreement may exceed four (4) months; however, nothing in this Agreement is intended to extend the provisions of pregnancy disability leave as allowed by law. Pregnancy disability leave does not need to be taken in one continuous period of time, but can be taken on an intermittent leave or reduced work schedule.

A unit member may elect to use any accrued sick leave during the leave, and may also use any accrued vacation leave or other accrued paid leave during that period of time.

- 102.6 An employee who wishes to be absent from her position before she is disabled by pregnancy, miscarriage, childbirth, recovery associated with any of the above or beyond the end of such disability, or both, may request such leave of absence according to the provisions of this Agreement applicable to uncompensated leave. Such leave shall be unpaid and may be required by the Board, if granted, to begin and end at times which will least disrupt the continuity of the District's educational program.

102.7 Request for Reasonable Accommodation

A unit member may request a reasonable accommodation for pregnancy, childbirth, or related medical conditions if she provides the District with medical certification from her health care provider. In addition to other possible forms of reasonable accommodation, a pregnant unit member may transfer temporarily to a less strenuous or hazardous position or to less hazardous or strenuous duties if she so requests, the transfer request is supported by proper medical certification, and the transfer can be reasonably accommodated. Such reasonable accommodation will not involve the District creating additional employment that otherwise would not be created, discharging other unit members, transferring another unit member with more seniority, violating a collective bargaining agreement, or promoting any unit member (including the pregnant unit member) to a position for which the unit members is not qualified.

### **10.3 Personal Necessity Leave**

- 103.1 The Board shall, according to law and following the provisions of this Agreement, provide for a unit member's absence for personal necessity while charging such absence to sick leave. Leave for personal convenience, civic, or non-emergency reasons, or circumstances created by the choice of the unit member will not be considered as personal necessity leave.
- 103.7 In no event shall a unit member be granted personal necessity leave on days in which the unit member is participating individually or collectively in activities prohibited under the No-Strike provision of this Agreement.

- 103.8 Personal necessity leave may be granted on the death or serious illness of a family member not previously defined or a close personal friend with whom the unit member has a deep and long-standing relationship. The granting of such leave rests within the sole discretion of the superintendent or his designee.

Parental/Child Bonding Leave is defined as leave for the reason of the birth of a child of the unit member, or the placement of a child with the unit member in connection with the adoption or foster care of the child by the unit member.

However, with regard to leave rules for the family members of members of the Armed Forces, the FMLA provides that the aggregate number of work weeks of leave to which both spouses may be entitled may be limited to twenty-six (26) work weeks during a single twelve (12) month period if the leave is for the family member to care for the service member who has a serious injury or illness or is a combination of that type of leave and leave (a) to care for a child after birth; (b) for placement of a son or daughter in connection with adoption or foster care or for care after the placement; or (c) to take care of a parent with a serious health condition

(2) the probable duration of the condition; and (3) a statement that due to the serious health condition, the unit member is unable to perform the essential functions of his or her position. - (4) A statement that the serious health condition warrants the participation of a family member to provide care.

When Service Member FMLA leave is taken to care for an injured or ill service member, unit members must obtain certification completed by an authorized health care provider of the covered Service Member.

Authorized health care providers include: Department of Defense, Veterans Affairs Health Care Provider, or a Department of Defense TRICARE network or non-network authorized private health care provider. The complete and sufficient certification must be submitted to the District within fifteen (15) days unless not practical to do so despite the unit member's diligent, good faith efforts.

When Service Member FMLA leave is taken due to qualified exigency, unit members will be required to provide the District a copy of the covered Service Member's active duty orders or other documentation issued by the military which indicates that the covered Service Member is on active duty or on-call by the U.S. military to active duty service. Complete and sufficient certification must be submitted to the District within fifteen (15) days unless not practical to do so despite the unit member's diligent, good faith efforts.

The District also may require that the unit member obtain subsequent recertification on a reasonable basis, such as upon the expiration of the period of leave originally estimated. The District may also require a unit member on FMLA leave to report periodically on the unit member's status and intent to return to work.

#### 10.11.11 Service Members

10.11.11.1 In addition, Service Member FMLA leave is available to unit members. It is the District's policy to provide Service Member FMLA in conformity with the provisions of the FMLA. Except as stated below, such rights and obligations for Service Member FMLA leave are governed by the existing FMLA policy.

Service Member FMLA leave runs concurrent with other leave entitlements provided under federal, state and local law.

Service Member FMLA provides eligible unit members unpaid leave for any one, or a combination, of the following reasons:

- (a) “qualifying exigency” arising out of a covered family member’s (spouse, son, daughter, or parent) active duty or call to active duty in the armed services in support of a contingency operation, which may include, attending certain military events, arranging for alternative child care, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings; and/or
- (b) to care for a covered Service Member, who has incurred in the line of duty on active duty in the Armed Forces an injury or illness provided that such injury or illness renders the covered family member medically unfit to perform his or her duties for which the Service Member is undergoing medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list.

#### 10.11.11.2

##### Duration

When Service Member FMLA leave is taken to care for an injured or ill Service Member, an eligible unit member may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the Service Member. Leave to care for an injured or ill Service Member, when combined with other FMLA qualifying leave, may not exceed twenty-six (26) work weeks in a single twelve (12) month period.

In addition, where spouses are both employed by the District, they may take up to, in aggregate, twenty-six (26) work weeks of Service Member FMLA leave, provided that any portion of the aggregate leave that is not for care of a family Service Member does not exceed twelve (12) work weeks.

#### 10.11.12 Leave on an Intermittent or Reduced Schedule Basis

FMLA leave may be taken in one or more periods and does not have to cover

a continuous period of time.

Unit members may take FMLA leave intermittently (in blocks of time, or by reducing their normal weekly or daily work schedule) or on reduced schedule basis if the leave is for the unit member's serious health condition, the serious health condition of the unit member's child, parent, or spouse, to care for an ill or injured covered Service Member, and the intermittent or reduced schedule leave is medically necessary as determined by the health care provider of the person with the serious health condition. Intermittent or reduced schedule leave is also available when necessary for a qualifying exigency. The minimum leave increment shall be the shortest period of time the District's payroll system uses to account for absences or use of leave.

**10.12 Catastrophic Leave** (As per the provisions of Ed. Code Section 44043.5)

10.121 The District shall establish a catastrophic illness/injury leave bank to which eligible unit members may voluntarily donate earned sick leave. This donation shall be irrevocable and shall be accomplished by the unit member completing a written form entitled "*Catastrophic Leave Bank Donation Form*" (*Appendix F*). A donation to the bank shall be a general donation, and shall not be donated to a specific employee.

10.122 A catastrophic illness/injury is defined to mean an illness/injury that is expected to incapacitate the employee for an extended period of time. The catastrophic leave must be necessary because "taking extended time off work creates a financial hardship on the employee because he or she has exhausted all of his or her sick leave and other paid time off. A Catastrophic Leave Bank committee shall be established by CSEA and solicitation for the bank shall be administered by CSEA, Chapter 386. The District shall provide all forms which are to be used for this purpose. All requests for use of banked hours shall be presented in writing to the Human Resources Department. Upon receipt, the department shall provide the applicant with a copy of this contract provision. It shall be the responsibility of the applicant to satisfy all conditions of eligibility.

10.123 Qualifications to make donations are as follows:

1. The unit member who wishes to participate in the Catastrophic Leave Bank must donate one (1) full salary sick leave day or one full salary

2. Donations shall be solicited annually during Benefits Open Enrollment for membership during the subsequent calendar year (January through December). However, nothing herein shall preclude any eligible unit member from donating to the Bank at any time. If a unit member elects to donate to the Bank at a time other than the annual open enrollment, the unit member will be a member of the Bank until the following January.
3. In order to be a member of the Bank, the unit member must be a permanent employee of the district. Probationary employees are not eligible for membership.
4. It is the unit member's responsibility to make an annual donation to the bank in order to maintain membership.

6. The unit member acknowledges that the donation is irrevocable.
7. The unit member acknowledges that a donation to the Bank will be a general donation and may not be designated for the use of any specific participant.

10.124 Any permanent unit member suffering from a catastrophic illness/injury is eligible to apply for use of sick leave days from the bank. To be eligible for use of bank days, the unit member must have exhausted all accrued paid credits, including vacation and other forms of paid leave. The unit member must use all paid leave credits that he or she continues to accrue on a monthly basis before receiving bank hours.

19.2.2 The District shall send written notice of layoff to the affected unit member(s) not less than sixty (60) calendar days before the effective date of layoff, informing the member of his or her displacement rights, if any, and reemployment rights. Any notice of layoff shall specify the reason for layoff and identify by name and classification the unit member(s) designated for layoff.

19.2.3 CSEA shall receive a written notice in accordance with Section 19.2.2, of at least sixty (60) calendar days prior to the effective date of the layoff.

19.2.5 Forty-five (45) calendar days notice is not required when an actual and existing financial inability to pay exists or for cause not foreseeable or preventable by the District.

19.2.6 All earned but unused vacation will be paid to the employees by the effective date of the layoff implementation.

### **19.3 Order of Layoff**

19.3.1 A restricted classified unit member shall first be laid off if any regular unit member holding the same or similar classification as the unit member is laid off.

19.3.2 The order of layoff of unit members shall be determined by length of service. The unit member, who has been employed the shortest time in the affected classification including time employed in a higher classification, if applicable, shall be laid off first. Bumping rights of unit members shall apply after determination of seniority in a class. Bargaining unit members who are subject to layoff shall exercise bumping rights into any classification, within currently held or previously held classification, providing they meet District-adopted minimum qualifications and providing that the classification into which they are bumping is equal or lower than that classification in which the employees have served. An equal classification means a classification with the same rate or pay as the unit member's current classification. A unit member possessing displacement (bumping) rights need not exercise those rights; a unit member who elects in lieu of displacement or bumping maintains his or her reemployment rights.

Classified employees in positions that have been eliminated shall have the right to displace the least senior employee in their classification whose assignment most closely approximates their own annual regularly assigned hours. The order of displacement shall be as follows: (1) equal number of annual regularly assigned hours; (2) greater number of regularly assigned hours; (3) lesser number of regularly assigned hours.

19.3.3 If two or more unit members have the same length of service, the order of layoff of such employees shall be determined by District-wide seniority. If a tie still exists, the unit members affected shall draw lots to break the tie.

19.3.4 Length of service means the hire date of an employee from the date of first paid status in the District in a probationary status.

(a) If an employee is rehired or reemployed within 39 months, the employees' hire date shall be adjusted and the time off shall not be counted. (Example: 2 yr break = 2 year later hire date).

(b) All other rights, including sick leave, shall be restored if the break in service is 39 months or less.

19.3.5 Nothing contained in this section shall prevent the granting of "length of service" credit for time spent on military leave of absence, unpaid illness leave, unpaid industrial accident leave, unpaid medical leave, or any approved unpaid personal leave.

19.3.6 "Length of service" shall not be interpreted to mean any service performed before entering into probationary or permanent status in the classified service of the District except in a restricted position as provided in Education Code 45105.

19.3.7 For this section, the word "classification" shall be defined as a position within a class which has a designated title, specific duties, responsibilities, minimum qualifications and has a designated salary range established for each position within a class.

#### **19.4 Demotion or Retirement Instead of Layoff**

19.4.1 A permanent or probationary employee who has been removed from his/her classification for lack of work or lack of funds and after exercising his/her bumping rights may accept a voluntary demotion to a vacant position in a lower class or placement in an equal class, in lieu of layoff, provided that the employee is qualified to perform the duties thereof. Such employee shall maintain his/her reemployment rights as defined in this Article.

- 19.4.2 Employees who, in lieu of layoff, take voluntary demotions or voluntary reductions in assigned time shall be, at the employees' option, returned to a position in their former classification or to a position with increased assigned time as vacancies become available, in the reverse order of layoff and for a period of sixty-three (63) months from the effective date of the layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list.
- 19.4.3 An employee who is laid off and elects retirement from the Public Employees Retirement System (PERS) shall be placed on a reemployment list. The District shall notify PERS that retirement was due to layoff. Should the employee subsequently accept, in writing, reemployment, the District shall maintain the vacancy until PERS has properly processed the request for reinstatement from retirement; however, the vacancy may be staffed temporarily pending processing of the PERS reinstatement request.

## **19.5 Reemployment Procedures**

- 19.5.1 A unit member who is laid off shall be placed on a thirty-nine (39) month reemployment list. The employee shall be required to maintain his or her current address on file with the Personnel Office.
- 19.5.2 If, during a unit member's eligibility period for reemployment, a vacancy occurs in the laid off unit member's classification, the Assistant Superintendent of Human Resources shall send written notice by certified mail to the last known address of such unit member(s) offering reemployment in order of service.
- 19.5.3 A unit member who received such a notice of reemployment and refuses to accept in writing the offer of reemployment within ten (10) working days shall be considered to have rejected the offer of reemployment.
- 19.5.4 If the unit member in a layoff status accepts the classification being offered, the unit member shall have up to twenty (20) calendar days from the postmark date of the notice to report for work. This does not prevent a unit member from returning to work in less than twenty (20) calendar days.

- 19.5.5 A unit member reemployed after being laid off shall be fully restored to his or her classification. Service credit and benefits shall not accrue during the period of layoff.

During the period of layoff or substitute service or other service other than regular full time or part time employment, service credit toward seniority and vacation entitlement (Exception - see 19.5.8) shall not accrue. Full service credit or part time credit shall accrue for employment served prior to layoff and upon reemployment.

- 19.5.6 If a laid off employee is rehired within 39 months, all earned unused sick leave will be restored to the employees sick leave account in accordance with applicable statute.

- 19.5.7 All laid off employees on the thirty-nine (39) month reemployment list shall have the first opportunity to fill any vacancies for which they meet the minimum qualifications of the District. Notices of all vacancies shall be posted on the District web site. The District will also notify the CSEA President.

- 19.5.8 Any employee laid off shall have the absolute right and preference over all others to work as substitutes in any substitute position for which they meet the minimum qualifications. These employees will continue to receive their regular rate of pay if they substitute in their former classification and the substitute rate if they work in other classifications. Any employee on the thirty-nine (39) month reemployment list who continues to provide service as a district employee-shall earn sick leave, holiday and vacation benefits when they work as a substitute.

- 19.5.9 The District agrees to comply with California Education Code sections 35021 and 45349 relating to the use of volunteers. The District agrees to write a letter (on or about September 5th each year) to all district management employees (with a copy to CSEA) instructing them that no volunteers, non-unit employees, or unit employees shall perform the work of the laid off employees.

**19.6 Seniority List**

At least thirty (30) working days before the effective date of a layoff, the District will provide CSEA with a seniority roster.

**19.7** CSEA reserves the right to negotiate the impacts and effects of the District's decision to layoff bargaining unit employees. In addition, CSEA reserves the right to negotiate the District's decision to reduce hours of employment in accordance to PERB decisions or other statutory limitations.

**19.8** An eligible laid off employee or eligible survivor, at their own expense, shall have the right to continue to participate in the District's medical insurance plans for such period of time, and to the extent as authorized by the provisions of federal or state law.

**19.9** All employees who receive a layoff notice shall continue to receive the same health and welfare benefits until the following September 30<sup>th</sup>.

**19.10** Any laid off unit member who was eligible for insurance coverage at the time of lay off, and who subsequently accepts reemployment for fewer hours than is required to initially qualify for the District insurance plans may at the members option, receive those benefits. The cost of these benefits shall be shared by both the District and the employee and prorated based on the number of hours worked as related to the number of hours required for full coverage by the District.

**ARTICLE XX**  
**TERM OF AGREEMENT**

**20.1** This Agreement shall become effective as of July 1, **2020**, and shall continue in effect until June 30, **2023**.

This Memorandum of Understanding ("MOU") is entered into by and between the Coronado Unified School District ("District") and the California School Employees Association and its Coronado Chapter #386 ("CSEA").

#### **1. EMPLOYEE INFORMATION**

## CORONADO UNIFIED SCHOOL DISTRICT

### Checklist for Reviewing a Reclassification Application

**Reclassification:** "Reclassification" means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in such position. Ed Code 45101 (f).

#### General principles

1. Job classification should be based on specific facts, not opinions
2. Job classification should not be based the person holding the job
3. Reclassification should be based on significant qualitative rather than quantitative changes in the job
4. It is the intent of this section that the incumbent(s) shall be entitled to the upgrading of positions to higher classifications where:
  - a. There has been a significant change,
  - b. More complex work is required by the District,
  - c. Where such changes are not temporary in nature, and
  - d. Where changes require a skill level or a responsibility level higher than that usually required of the existing classification.

#### Questions to consider regarding reclassification:

- ☐ Do the job duties require a higher level of skill or responsibility?
- ☐ Do the job duties require higher level of decision-making or autonomy?
- ☐ Is there a significant difference in the consequences of the work?
- ☐ Do the job duties require additional certificates or licenses?
- ☐ Do these duties represent a significant portion of their workload?
- ☐ Are these duties the result of an evolution of technology?

**California School Employees Association and its Coronado Chapter No. 386**

The Coronado Unified School District ("District") and the California School Employees Association and its Coronado Chapter No. 386 ("CSEA") enter into this Memorandum of Understanding ("MOU") regarding the decision and impacts/effects of reassigning all unit members currently assigned as Instructional Assistants – Child Care, beginning in the 2020-21 school year.

1. Effective on the first day of school of the 2020-21 school year, all unit members currently assigned as Instructional Assistants – Child Care will be reassigned as Instructional Assistants. In this new assignment, unit members will continue as 10 month employees at Range 4 on the salary schedule. Unit members will also retain their same full-time equivalence.
2. Prior to the first day of school of the 2020-21 school year, the District will notify each affected unit member of their assigned school site(s) and daily shift schedule.
3. Unit members being reassigned under this MOU will retain their same "length of service" as defined in Article 19.3.4 of the collective bargaining agreement.
4. The parties acknowledge and agree that, under the circumstances set forth in this MOU, all unit members subject to reassignment are not being "displaced" as that term is defined in California Education Code section 45103.
5. The parties agree that the terms of this MOU are specific to the circumstances presented herein, and they do not constitute a past practice or binding precedent between them.

This MOU will become effective once ratified by both parties under their internal procedures. It will continue in full force and effect unless otherwise agreed upon by the parties. BETWEEN THE  
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION  
AND ITS CORONADO CHAPTER 386 (CSEA)  
AND  
CORONADO UNIFIED SCHOOL DISTRICT  
REOPENING OF SCHOOL 2020-2021  
October 22, 2020**

This Memorandum of Understanding (hereinafter, "MOU") is entered by and between the Coronado Unified School District (hereinafter, "District") and the California School Employees Association and its Coronado Chapter #386 (hereinafter, "CSEA") regarding the negotiated effects of the District's decision to safely reopen schools and educate students in the 2020-21 school year, in compliance with state and local health and safety guidelines.

The District and CSEA recognize the importance of maintaining safe facilities and operations, for the benefit of the students and communities served by the District and its teachers and staff. The parties recognize the importance of developing and implementing prudent measures to prevent District employees, students, and visitors from being exposed to or infected with COVID-19, as recommended or mandated by state and local health authorities. The parties recognize that the decision to reopen school sites in the 2020-21 school year, in compliance with local and state health guidelines, has various negotiable impacts and effects on classified unit members and that this MOU is intended to address those impacts and effects.

To these ends, the District and CSEA agree as follows:

**Safety**

In addition to the safety requirements already set forth in the parties' collective bargaining agreement and required by state and federal laws, the District shall adhere to applicable COVID-19 guidelines issued by the California Department of Public Health (CDPH), including the documents titled *COVID-19 Industry Guidance: Schools and School Based Programs, Guidance for the Use of Face Coverings* and *COVID-19 and Reopening In-Person Learning Framework for K-12 Schools in California, 2020-2021 School Year*. The District shall also adhere to any additional requirements set forth by the Health Officer of the County of San Diego.

**Procedures for Positive Screening, Exposure or Confirmed Infection**

If a unit member, other employee or student is showing symptoms associated with COVID-19, has had close contact with a confirmed COVID-19 infection, or has a confirmed COVID-19 infection, the District will comply with all guidelines in the CDPH document, *COVID-19 and Reopening In-Person Learning Framework for K-12 Schools in California, 2020-2021 School Year*. This will include, among other requirements, promptly notifying and sending home known contacts for a required quarantine period, if applicable.

The District will inform the CSEA chapter president, as soon as practicable, should it learn of a confirmed infection of District employees or students. It is understood that privacy rights under state and federal laws will be maintained.

**Leaves of Absence**

**MEMORANDUM OF UNDERSTANDING

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION  
AND ITS CORONADO CHAPTER 386 (CSEA)  
AND  
CORONADO UNIFIED SCHOOL DISTRICT  
REOPENING OF SCHOOL 2020-2021  
October 22, 2020**

In the event that an employee tests positive with or has symptoms known to be associated with COVID-19, the employee may use all available leaves provided by the collective bargaining agreement and state or federal laws, including paid leave provided by the Families First Coronavirus Response Act ("FFCRA"), without fear of reprisal. Employees seeking to use such leaves must follow standard absence reporting procedures. This paragraph does not affect an employee's right to take a leave of absence for any other reason permitted by the collective bargaining agreement and state or federal laws.

If an employee takes a leave of absence pursuant to the paragraph above (due to a positive COVID-19 test or symptoms associated with COVID-19), and is medically unable to return to work upon exhausting all paid leaves, the employee may continue their District-paid health benefits through June 30, 2021. The employee may also request an additional leave of absence, paid or unpaid, pursuant to Board Policy 4261.1.

The District shall make reasonable efforts to accommodate requests by employees to care for their children whose school site or childcare centers has been closed, in full or in part, due to COVID-19. Such accommodations may include, among other things, allowing the employee to work remotely or granting a leave of absence in accordance with state and federal laws, including Labor Code section 230.8 and the FFCRA. The parties understand and agree that the term "accommodate," as used in this section, does not refer to the interactive process for accommodating employees with disabilities.

The parties recognize that, in order to comply with CDPH guidelines, the District must conduct wellness checks on employees for possible COVID-19 symptoms. If an employee reports to work but the District directs the employee to leave the school or work site, the employee will promptly comply and not have any accrued leave of absence deducted for the day. Thereafter, the employee is responsible for promptly obtaining and providing the District with verification from a health care professional that he or she has tested negative for COVID-19. The employee must provide the test result to the District within one business day of receiving the test result. The District will not deduct from accrued or other available leaves of absence if the test is negative, except the employee must use their available leaves or have their pay docked for any time delay (more than one business day) between receiving the test result and providing the result to the District. If the test is positive, the employee must, if unable to work remotely during any period of self-quarantine, use an accrued or other available leave of absence, including FFCRA leave if available. Such leave may be applied retroactively to the first workday after the employee was sent home. This paragraph does not apply to employee requests to leave work because the employee believes he or she is presenting symptoms associated with COVID-19.

If the District determines that an employee has had "close contact" with a confirmed COVID-19 infection, and that, pursuant to CDPH and County guidelines, it must direct the employee to self-quarantine for a specified period of time, the employee will promptly comply with the District's

directive. Thereafter, during the quarantine period, the District will determine if the employee can work remotely, either in the employee's classification or out-of-classification. If the employee is unable to work remotely, the employee may use FFCRA leave, if available, during the quarantine period required by CDPH and County guidelines. If FFCRA leave is not available, the employee will be placed on paid administrative leave during the quarantine period required by CDPH and County guidelines. This paragraph does not apply to employee requests to self-quarantine because they believe they have had "close contact" with a confirmed COVID-19 infection.

**At-Risk Employees**

The parties recognize that the Centers for Disease Control ("CDC") has advised that individuals are at increased risk for severe illness due to COVID-19 because of certain underlying health conditions. If an employee has such an underlying health condition and that condition qualifies as a "disability" under the Americans with Disabilities Act ("ADA") or California Fair Employment and Housing Act ("FEHA"), the District and employee will promptly engage in the interactive process to discuss whether the employee can safely and effectively perform his or her essential duties, with or without a reasonable accommodation.

If the employee's underlying health condition does not qualify as a "disability" under the ADA or FEHA, the District and employee will, upon the employee's request, discuss reasonable alternatives to the employee's current assignment with the goal of ensuring the employee can safely and effectively perform his or her essential duties. Such reasonable alternatives may include, but are not limited to, whether the employee may effectively and safely work remotely, at a different location or in a different assignment. The parties understand that this discussion is outside of the accommodations process required by the ADA and FEHA.

As part of either of the processes above, the District reserves the right to request the employee to provide sufficient documentation to verify that he or she has an underlying health condition recognized by the CDC as increasing the employee's risk of severe illness due to COVID-19.

**Work Hours and Compensation**

Employees are expected to report to their assigned work site and adhere to their work hours, as directed by their supervisors, with sufficient notice pursuant to the CBA, during the 2020-2021 school year, subject to CDPH and County guidelines.

In the event any District school or worksite must be closed due to COVID-19, classified unit members will not suffer the loss of any pay or benefits relative to their regular schedules for the period of closure.

October 22, 2020**

All compensation to employees, including any extra hours worked, will be provided in accordance with the collective bargaining agreement.

**Possible School Closure / Telecommuting**

If necessary, to close a District school or worksite due to COVID-19, the affected unit members generally will not be required to report to their regular work locations. However, the District may direct unit members to perform work remotely or at an assigned work location during their work hours, to ensure that essential District services continue. If unit members are required to work remotely, the District will ensure they have access to appropriate and necessary resources to effectively complete their duties. If unit members request and receive permission to work remotely instead of at their assigned work site(s), they must adhere to the District's telecommuting policies.

If employees are permitted to telecommute, site administrator will provide equitable opportunities for employees with similar or related job duties to work remotely, so long as the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and met performance expectations, and the work arrangement does not hinder district operations.

**Temporary Out-of-Class Duties**

- The parties recognize that, due to the unique circumstances presented by COVID-19, it may be necessary for the District to temporarily assign duties to employees that are not reasonably related to their regular duties, in accordance with 9.3 of the CBA. Such out-of-class responsibilities may include, among other things, duties necessary for the District to ensure compliance with CDPH guidelines, such as: Instructional Aides positions being asked to help wipe down and disinfect items within the classroom on a regular basis in order to maintain cleanliness standards.
- Office Staff, and/or Secretary positions being asked to perform temperature checks on staff or visitors.
- Any CSEA bargaining unit position being asked to help with distribution of lunch and/or other meals for students.

The parties understand and agree that the assignment of these out-of-class responsibilities will be temporary. The District will ensure, prior to assigning such out-of-class responsibilities, that the unit member is either already qualified or will receive appropriate training to perform those responsibilities. Out-of-class responsibilities will not negatively factor into a unit member's performance evaluation, nor will they negatively factor into the determination of whether a new employee passes their initial

probationary period or a promoted employee passes their trial period in the higher classification. An employee assigned with such out-of-class responsibilities will be compensated in accordance with 9.3 of the CBA.

**Training**

The parties recognize that, in order to ensure compliance with CDPH guidelines and provide a safe environment for students and staff, unit members will need to receive appropriate training. The District will provide training to all classified unit members in the following areas:

- Enhanced sanitation practices
- Physical distancing guidelines and their importance
- Use of face coverings
- Screening practices
- COVID-19 specific symptom identification
- Disinfecting frequency and tools/chemicals used in accordance with the Healthy Schools Act, CDPR guidance and Cal/OSHA regulations
- Proper use of hazardous chemicals for cleaning
- Updates to the Injury and Illness Prevention Plan (IIPP)
- State and local health standards/recommendations

The District reserves the right to provide training in additional areas as needed to ensure compliance with CDPH guidelines.

Unit members not already required to be on duty during days on which training will be provided will be paid at their regular hourly rate, unless overtime rates apply.

**Cleaning and Sanitization**

The District shall provide guidance on scheduling, frequency, and provide expectations for CSEA unit members. Custodians WILL NOT be required to complete daily logs or post a daily cleaning log in classrooms.

- Cleaning – Regularly assigned daily cleaning.
- Sanitization – Between cohorts and at the end of the day.
- Outbreak – Follow CDC guidelines for enhanced cleaning.

**Miscellaneous**

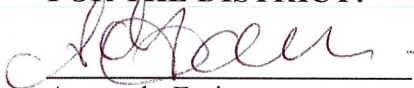

The MOU is being entered solely under context and circumstances of the COVID-19

Pandemic and is not precedent setting. The parties agree that, except for subjects already addressed in this MOU and the collective bargaining agreement, CSEA has not waived its rights under the Educational Employment Relations Act.

This MOU will be effective upon ratification by each party according to their internal process and continue in effect until June 30, 2021.
