2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Coronado High School is a comprehensive high school committed to providing a rigorous academic program and a supportive, caring school culture. Our mission statement communicates our school-wide philosophy and vision: Through rigorous academic standards, high expectations, and a coordinated curriculum, Coronado High School and the Coronado Unified School District, in partnership with our small, involved community, will graduate students with the knowledge and skills necessary to excel in higher education, careers, society, and life with the confidence not only to dream, but to determine their futures.

CHS provides an outstanding learning community that promotes academic excellence offering a full slate of core academic courses and electives as well as programs such as Advanced Placement (AP courses), arts conservatories through the Coronado School of the Arts (CoSA), NJROTC, Career Technical Education Pathways (Arts, Media & Entertainment, Patient Care, Woodworking, Engineering, Computer Science), Adult Education, and CIF freshman, junior varsity, and varsity athletics. CHS is home to over 1000 students in grades 9-12. Approximately 19% of our students are inter district transfers who reside in San Diego, 10% of whom apply to one of the six Coronado School of the Arts conservatories.

Dedicated and talented staff members collaborate across curriculum through professional learning communities in support of student learning that responds to evolving student interests and specialized and in-depth studies. Students are supported in taking intellectual and creative risks as they engage in their studies, enabling them to be confident, life-long learners. Our students' commitment and exposure to rigorous academics have uniquely prepared them to graduate as critical thinkers, problem solvers, and civic minded, 21st century contributors who are college and career ready and confident in navigating life beyond the walls of Coronado High School.

CHS is committed to every student, every day.

Our Vision

"We inspire, innovate, and create limitless opportunities to thrive."

Our vision and student learning outcomes (listed below) are the nexus for our staff's approach to teaching and our student's approach to learning

1. SELF-AWARE and RESILIENT INDIVIDUALS who

- identify areas of strength and growth, and develop, reflect on, and adjust goals
- explore and utilize at least one of the many available learning paths to grow areas of strength and interest

2023-24 School Description and Mission Statement

- --Dual enrollment
- --CTE pathways
- --CoSA pre-professional conservatories
- --Competitive academic clubs
- --Internships/work experience
- --NJROTC
- prioritize and manage short- and long-term tasks
- develop original and creative projects or services
- demonstrate confidence in their capability to influence communities local to global

2. ANALYSTS who

- read, write, speak, and listen critically
- critically analyze ideas, not people
- evaluate and synthesize multiple media and the reasoning of others to draw conclusions
- question, theorize, experiment, conclude, revise
- develop, defend, and justify claims with evidence
- choose appropriate strategies and resources for research, problem solving, and communication of understanding
- focus on solutions and actions
- are visionary and curious

3. COLLABORATIVE TEAMMATES who

- work in person or remotely via technology to:
- contribute to a co-curricular group: club, sport, civic organization, pre-professional conservatories, CTE pathway, or other creative projects
- cooperate with others to develop common goals and outcomes
- balance leadership and contribution
- practice constructive critique of ideas, including our own
- effectively use technology to collaborate and communicate efficiently

4. COMMUNITY MEMBERS who

- make informed decisions about collective and personal health and financial literacy
- approach learning, expression, and relationships with respect and integrity
- demonstrate understanding and respect for diverse viewpoints, belief systems, and cultures
- understand the environmental, social, and economic impacts of decisions

Coronado High School Islander PRIDE:

Problem Solvers who think critically and collaboratively

Responsible Citizens who take ownership

Inclusive community that acts with empathy

Dynamic relationships that foster connections

Eager and invested in our school and future

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.40	1.60
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.40	1.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.10	0.90
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.10	0.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	3.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	7.8

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	55	52	64	65	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CHS offers Southwestern College Dual Enrollment CTE courses in the Medical Terminology, Intro to Business, ASL 1 and ASL 2 in the 2023-2024 school year.

CHS offers an extended school day to allow students access to AME CTE courses within Coronado School of the Arts (CoSA). CHS has a four period day that offers a 5th period in AME courses.

Students in the CUSD/CHS CTE courses are expected to write, compute, and evaluate using rigorous standards in all well-rounded subject areas. Our 98%+ graduation rate, high college acceptance, and overall standing as a high achieving high school show that our CTE students have the foundation and skills in all areas of learning.

All CTE courses meet state competencies for the respective field. 98% of students in a capstone course receive a C or above, which shows that students are successful in the standards for that pathway.

Every pathway has a minimum of three advisors in that respective field. All CTE teachers and CTE administrators meet with the advisors at least once a year to:

- Review the curriculum/units/lessons and provide feedback
- Discuss emerging occupations and skills needed
- Review industry credentials/certifications
- Provide information on skills needed in the workplace
- Safety concerns, training, and equipment
- Help with work-based learning activities
- Provide advice on new equipment,
- Credibility
- Assistance in adapting skill standards for local needs

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and community members are involved in the life and planning of Coronado High School through our School Site Council, Parent Teacher Organization, Coronado Schools Foundation, Coronado School of the Arts Foundation, Islander Sports Foundation, Athletics and Arts Booster organizations, and volunteer opportunities in classrooms, on field trips, and extracurricular events.

Our school website, Facebook page, and weekly principal newsletters, The Islander News, have regularly posted information to keep parents informed of academics - courses, programs, college and career readiness - as well as events, activities, community based opportunities, and athletics. Teachers post information regarding homework, grades, etc. on our learning management system, Canvas. Parents are encouraged to email questions and concerns to their student's teachers and counselors, and administrators encourage open lines of communication regarding needs of students and how the school can best serve them.

2023-24 School Safety Plan

The CHS school safety plan is developed by administrators and faculty in accordance with district guidelines. It is reviewed by educational partners and approved by School Site Council the CUSD School Board, annually. Our safety plan is shared with all faculty at the start of the school year and a review is completed mid year. We assign staff members roles for each contingency, and we schedule practice drills in accordance with state and federal laws. Each faculty member has a backpack with the safety plan and first aid items for an emergency.

Our safety plan outlines emergency response protocols and responsibilities of various staff in the event of disaster or emergency. We hold regular fire, earthquake, lock-down drills including evacuation and accountability and reunification. Our classrooms have lock-blocks on the doors. Entrance gates are secure due to one-way mechanisms and any person within the campus can exit through designated areas, but once outside the campus, if a gate or door is closed properly, no re-admittance can be gained. All visitors are required to sign in at the office using the Raptor system and they must wear a visitor badge at all times while on campus.

CHS is fortunate to have security cameras on and around the campus as well as a campus security supervisor to ensure safety in all areas of the school. Any time parents wish to confer with a teacher, the classroom teacher must be contacted for an appointment. If an outside party wishes to observe in the classroom, permission from the principal must be approved and obtained 48 hours prior to the visit and limited to one visit per semester, per school board policy. We receive support from local authorities, including the Coronado Police Department, who have assigned a school resource officer to CUSD, and our local fire department and paramedics are adjacent to the campus. Fire authorities conduct annual fire inspections

Fiscal Year 2022-23 Types of Services Funded

CUSD uses state, federal, grant, and local funds to provide a broad course of study in all required subject areas, including math, social science, science, English, world languages, visual and performing arts, health, and physical education, as well as intervention courses, Advanced Placement (AP) and Honors courses, specialized programs for students who qualify for Special Education, Integrated and Designated English Language Development Programs for English Learners, and Career Technical Education (CTE) courses and pathways.

CHS offers services and supports for all students including; School Counselors, Clinical Counselors, Military Family Life Counselor, School Psychologist, Special Education Specialists. In addition to Local Control Funding, CHS is fortunate to receive grant funding through community and statewide partnerships.

- Grant funding provides a section of a district Teacher on Special Assignment that supports analysis of data to provide personalized math instruction for students.
- Grant funding through K-12 Strong Workforce and CTEIG provides sections of Career/Technical Education, professional development and supplies for pathway development. The grant also funds a coordinator/Teacher on Special Assignment.
- Private foundations (501c3) funding supports elective course offerings (Coronado Schools Foundation, Coronado School of the Arts Foundation, and Islander Sports Foundation) to expand our students' College and Career readiness and athletic opportunities.
- The Navy provides funding to partially support our NJROTC program.
- Due to serving a large military student population (34% of our school) based on our proximity to military housing and a military base, we receive federal funding for educating military children. In addition, the government has dedicated one full time Military Family Life Counselor (MFLC) to CHS.
- Coronado High School offers a section of English Language Development in accordance with the needs of our students who are English Language Learners.

Professional Development

Professional Development for Coronado Unified School District

2023-2024: Professional Development for Coronado Unified School District's certificated and classified staff is robust and organized into three tiers: district-wide professional development; weekly collaboration and professional growth for school sites, departments or grade level teams; and District leadership teams, collaboration, and curriculum development beyond the scope of the school day for which teachers are paid. The instructional focus at the district level and each school site are the quality indicators for effective teaching practices. This instructional focus is directly aligned to the CUSD mission, vision, 21st century outcomes for students, college career readiness and the goals and actions within the CUSD Local Control Accountability Plan (LCAP).

Tier I: In collaboration with each school site administration, district-wide professional development is focused on MTSS (social-emotional-behavioral supports, academic supports, and PBIS), and the quality indicators for effective teaching practices.

Tier II: Each year, weekly collaboration and professional growth for school sites: All teachers receive approximately 1 hour each Wednesday (early release days for all school sites) for staff meetings, site- and district- based professional development, department/grade levels meetings, and articulation between grades, departments, and sites. Site-level topics of professional development include co-teaching, literacy, learning walks, collaborative discussion routines, instructional technology and software, content area specific trainings, assessment and instructional strategies.

Tier III: Active Leadership Teams for 2023-2024 include the MTSS site committees in collaboration with the Learning Department and Student Services Department. The focus of the Tier III professional development is on MTSS across all school and district systems.

Funding: Funding for professional development for 2023-2024 is provided by federal Title IIA funds and the Educator Effectiveness Block Grant funds in order to personalize professional learning for all staff.

This table displays the number of school days dedicated to staff development and continuous improvement.
