

Learning Action Plan for Board Goal #1

Board Goal: Discern the unique characteristics & learning traits of 21st century students and implement plans to educate students employing best practices with emphasis on using online instructional techniques and digital tools.

Strategy: We will integrate critical thinking, problem solving, and collaboration in preparation of 21st Century Learners by defining and implementing an integrated education technology system for all students.

| Goal/Step | Action Steps | Who's Responsible | Who's Involved | Resources (\$, People, Time) | Timeline | Evidence of Implementation |
|-----------|---|---|---|---|--------------------|--|
| 1.1 | Create a new five year technology plan that provides 21st century learning through virtual use of technology. | Superintendent | Superintendents Principals Network Supervisor Site Tech Teams SDCOE staff | Staff time No extra cost | June 2012 | Five year plan creates building steps in "pyramid" so that one module depends upon another for initial implementation; site plans reflect district tech plan. |
| 1.2 | Maintain the Students Achieving Through Technology in the 21st Century (SATT-21) Grant implementation. | Superintendent Director of Curriculum and Learning (C&L) | Superintendent Director of C&L Principals Site Faculty/Staff IT Staff (TRTs) | Staff Time Grant funding for professional development, hardware, and software | 2009-2013 | Ongoing assessments as required by grant; site SATT 21 grant implementation plans. Carryover funding will push partial implementation into 2013. |
| 1.3 | Develop a 3-year STEAM (science, technology, engineering, arts, and mathematics) course of study for all K-12 students. | Superintendent Director of C&L STEAM Vertical Team CSF | Superintendent Director of C&L Principals Site Faculty/Staff CSF | CSF Funding for courses, Professional Development, Extra-curricular clubs, materials | 2012 ongoing | STEAM courses and pathways defined for all sites; STEAM 3- year implementation plan |
| 1.4 | Offer more CHS students learning opportunities by lengthening school hours, increasing course offerings, and supporting online learning at Palm Academy. | Director of C&L CHS Principal Palm Academy Principal | Director of C&L CHS Administrators Palm Academy Principal Faculty/Staff | Credit recovery, unit recovery and online learning courses | 2012-13 ongoing | CHS/Palm Master Schedule; Multiple Pathways Flowchart; Expanded course offerings at Palm Academy; Student transcripts; Palm and CHS Strategic Plans |

| Goal/Step | Action Steps | Who's Responsible | Who's Involved | Resources (\$, People, Time) | Timeline | Evidence of Implementation |
|-----------|---|-----------------------------------|--|---|--|--|
| 1.5 | Improve one to one (1:1) student computing by introducing digital textbooks in high school science courses. | Superintendent Director of C&L | Superintendent Director of C&L CHS Administrators CHS Science faculty | Purchase of personal computing devices to access online text; staff time to develop online CA standards-based course text/resources; professional development | 2012-13 ongoing | Students in some CHS science courses use online textbooks during class and have access to online content at home via BYOT (Bring Your Own Tech) philosophy. |
| 1.6 | Emphasize an environment of student-centered thinking whereby the student believes he/she is personally in charge of his/her education and therefore motivated to be responsible for the outcomes of learning. | Superintendent Director of C&L | Superintendent Administrators Faculty Students | Staff time; professional development; consistent formative assessments in core areas; development of Personalized Education Plan (PEP) | 2011-12 school year (benchmark) ongoing | Every student has a PEP as part of their permanent record; PEP used in goal-setting conferences with students; PEP used at parent-teacher conferences; PEP evidence in site plans; utilize frequently measured outcomes. |
| 1.7 | Create a charter school that develops the PEP philosophy, uses online/hybrid learning, emphasizes enrichment and remediation, and sharpens the focus on STEAM. This allows the charter to develop these elements to a higher degree than is currently being seen in other CUSD schools. | Superintendent Director of C&L | Superintendent Administrators Faculty Principals Students Board | Staff time; new staffing needs; MOU agreements with charter/district | 2012-13 ongoing | Charter application approval; school in operation Fall 2013; 50 students enrolled |

Fiscal Action Plan for Board Goal #2

Board Goal: Communicate the District's fiscal prudence and stress the need for additional significant financial support in order to sustain and expand student success.

Strategy: We will demonstrate operational efficiencies, ensure learning drives the budget, and actively pursue new funding by communicating the impact that each dollar makes on the whole child.

| Goal/Step | Action Steps | Who's Responsible | Who's Involved | Resources (\$, People, Time) | Timeline | Evidence of Implementation |
|-----------|--|---|---|--|-----------------|---|
| 2.1 | Continue work on building "dashboard" access to data retrieval for improved decision-making to target academic, financial, and personnel resources. | Superintendent Asst. Supt. of Business Services | Superintendent Asst. Supt. of Business Services Business Services staff | Staff time; professional development SDCOE staff assistance | 2012 ongoing | Dashboards used first by CUSD business staff, administrators, teachers, Governing Board, and then finally the public. |
| 2.2 | Request renewal of the Students Achieving Through Technology in the 21 st Century (SATT 21) grant from the Department of Defense Education Association (DoDEA); renewal of this \$1.25 million grant would continue the 1:1 trend and encourage individualized learning for all students. | Superintendent Director of C&L | Superintendent Director of C&L Principals Site Faculty/Staff IT Staff (TRTs) | Staff Time Grant funding for professional development, hardware, and software | 2009-2013 | Ongoing assessment as required by grant; SATT 21 embedded into site implementation plans |

Communication Action Plan for Board Goal #3

Board Goal: Improve the content and frequency of communications with and among shareholders by using written, digital, and face to face methods. **Strategy**: We will reach consensus on effective school and community communication tools to access information, increase understanding, and improve relationships.

| Goal/Step | Action Steps | Who's Responsible | Who's Involved | Resources (\$, People, Time) | Timeline | Evidence of Implementation |
|-----------|---|--|---|--|---|---|
| 3.1 | Implement methods of feedback that best achieve the strategy. | Superintendent District Administrators | Superintendent District Administrators Faculty Parents Students | Staff time | 2012 ongoing | Digital and physical evidence that communication is consistently and clearly posted on District website, Coronado Communiqué (newsletters), email/phone blasts, digital surveys, community forums, community or group calendars Investigate and implement social networking methods such as Facebook and Twitter |
| 3.2 | Inform shareholders of communication methods and how to view or create these methods via trainings | Superintendent District Administrators | Superintendent District Administrators Faculty Parents Students | Staff time | 2012 ongoing | Professional development times/days for staff; Parent and student trainings or forums |
| 3.3 | Assess the communication methods using multiple measures | Superintendent District Administrators | Superintendent District Administrators Faculty Parents Students | Staff time to review assessments on an ongoing basis | End of each year and ongoing as needed | Survey data Qualitative data Shareholder feedback |

Character Education Action Plan for Board Goal #4

Board Goal: Promote character education community-wide and encourage all shareholders to model the Six Pillars of Character.

Strategy: We will provide a safe and healthy school climate that celebrates the worth and strengths of each person.

| Goal/Step | Action Steps | Who's Responsible | Who's Involved | Resources (\$, People, Time) | Timeline | Evidence of Implementation |

Teachers, students, and parents use data to set goals. MAP data used as multiple measure of CUSD student achievement. |

List of Accomplishments from Past Strategic Plans

- 1. Identified members of the Department; include TRT positions by list of member responsibilities
- 2. Set roles and responsibilities for members by creating an organizational chart and revised annually. Completed December 2008
- 3. Develop plan for expanding department as needed and as financially able. Completed 2008
- 4. Defined state and national technology standards (2007) that are essential to Coronado Unified School District including collecting a wide variety of tech standards.
- 5. Established roles and responsibilities (2006) for Technology Resource Teachers (TRTs) for implementing staff development plans at each site; time expanded at CMS and CHS by CSF funding.
- 6. The GREAT Committee was formed (2007) and much information was obtained on ways to increase revenue. The recommendation from the Committee was that the only solution was to bring a Parcel Tax Election to the voters for an amount to be determined. To begin the process, the Committee recommended that an expert be hired to conduct a survey of the community as to the likelihood of a Parcel Tax being assessed by the electorate.
- 7. A professional survey was conducted in 2009 by Brad Senden of The Center for Community Opinion in San Ramon, CA. The results showed a Parcel Tax election would be poorly received by the voters with less than 40% favoring even a small amount of tax being assessed. Since the state requires a 66% approval of the voters, the Board decided to not pursue a Parcel Tax at this time.
- 8. The Board passed a resolution in 2010 favoring a state proposition to lower the approval rate needed to pass a Parcel Tax to 55%.
- 9. Special groups of shareholders were either created or continued including the following: Budget, Superintendent Teacher Advisory (STAC), Parent Leadership (P/CSF), Facilities, GREAT, City Leaders, Strategic Planning Teams for Site and District, Special Ed Parent Advisory (SEPAC), Community organizations, School Site organizations, Local Partnership Council (Navy/School), SC21 (Technology), Traffic Advisory, Board Workshops once a month.
- 10. Communication methods were analyzed and current opportunities used for dialogue that are effective were continued. Those that were not effective were ended or combined for more efficient effectiveness. A list of individuals who will provide the messages was developed. Options to increase parent/teacher conferences at the elementary level to 2x per year were evaluated and found to be not necessary.
- 11. Surveyed parent community on availability of electronic communication; Determined non-electronic alternatives; Analyzed webpage content and usage; Selected community websites with whom to align the District webpage; Publicized simple web address; Provided Board Meeting Agendas electronically on District website.
- 12. Completed articles in Eagle Journal for several months on financial crisis, 21st Century Learning goals, and aquatic facility plan clarification.

2010-2011 Accomplishments

- 1. Virtualized services such as cloud computing by contracting with the San Diego County Office of Education for data storage or warehousing. This service included migration of data, onsite/offsite backup, and retrieval.
- 2. Supported a resolution favoring a state proposition to lower the approval rate needed to pass a Parcel Tax to 55%.
- 3. Established multiple opportunities for more open dialogue with all shareholders in the community
- 4. Promote electronic communication and provide non-electronic alternative
- 5. Offered more written information to the community
- 6. Called for an Education Summit in Coronado to begin with the District Strategic Planning session in January and February 2011.
- 7. Encouraged district-wide collaboration by creating four days of professional development for all district staff in 11-12.
- 8. Character Education promoted community-wide by Board resolution, City Council Resolution, endorsement by parent organizations, CSF, and various community groups such as Chamber of Commerce, Rotary Club, Optimist Club, etc.
- 9. Implemented the NWEA MAP formative assessments and made plans for continuing that implementation in 11-12.
- 10. Improved the performance of SATT 21 implementation and increased the number of digital devices. Made application to DODEA for continuation of SATT 21 grant.
- 11. Created three days of professional development in 11-12 (Board approved in June) and began making plans to implement.
- 12. All strategic plans were performed and the planning process was realigned.

2011-2012 Accomplishments

- 1. Strengthened virtualized services for data storage including data migration, onsite/offsite backup, and retrieval.
- 2. Repaired and improved network infrastructure; moved Exchange 2003 services to virtual servers and upgraded to Exchange 2010
- 3. Supported a resolution favoring a state proposition to lower the approval rate needed to pass a Parcel Tax to 55%.
- 4. Established multiple opportunities for more open dialogue with all shareholders in the community, including an Educational forum and a Calendar Forum
- 5. Began the District Strategic Planning session in November 2011 to allow all other sites/departments to follow Board goals.
- 6. Encouraged district-wide collaboration by creating three days of professional development for all district staff
- 7. Character Education promoted community-wide by Board resolution, City Council Resolution, endorsement by parent organizations, CSF, and various community groups such as Chamber of Commerce, Rotary Club, Optimist Club, etc.
- 8. Implemented the NWEA MAP formative assessments to another 800 students bringing the total student count to over 1200
- 9. Implemented Write On!, a formative and summative District writing assessment for K-5
- 10. Conduct a needs assessment with Strategic Plan participants in November 2011 to determine the specific ways to communicate with groups.
- 11. Determined which communication forms work best for different groups.
- 12. Began to implement methods of feedback that best achieve the strategy of reaching consensus on effective school and community communication tools to access information, increase understanding, and improve relationships.
- 13. Developed a stronger relationship with Coronado SAFE using the Six Pillars of Character as the foundation for all learning
- 14. Began to implement instructional process called Response to Intervention (RtI)
- 15. Implemented Vertical Team structure in all school sites for sharing exemplary classroom best practices
- 16. Elevated the importance of professional learning communities (PLC) as a best practice to all staff
