

THE NEXT GENERATION IN STUDENT REGISTRATION

Presentation prepared for

Coronado Unified School District

Do Your Schools Look Like This During Registration?

“They suggested the whole process would take about an hour. It took us two hours and forty-five minutes.

No wonder I have a migraine.”

Parent

Our Mission

To improve and automate the student registration process with products and services designed to deliver exceptional levels of parent and school communication with extensive district customization and flexibility.

The Registrar Difference

- ✓ On-line Student Registration
- ✓ Centralized Management
- ✓ Streamline processes
