5.0 BUSINESS & FISCAL MANAGEMENT

- 5.4 Adopt Resolution Authorizing an Education Protection Account to Receive and Disburse Revenue Derived from Incremental Increases in Taxes Imposed by Article XIII, Section 36[f] (Action)

Background Information:

Pursuant to approval by voters on November 6, 2012, Proposition 30 added to Article XIII, Section 36 to the California Constitution effective November 7, 2012. The provisions of the above article create in the state General Fund an Education Protection Account to receive revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f).

The creation of the EPA by Proposition 30 not only impacts cash flow patterns but also has an accountability component. Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent, but with these provisos:

- The spending plan must be approved by the governing board during a public meeting
- EPA funds cannot be used for the salaries or benefits of administrators or any other administrative costs (as determined through the account code structure)
- Each year, the local agency must publish on its website an accounting of how much money was received from the EPA and how the funds were expended

In addition, there will now be a requirement for the annual financial audit to include verification that the EPA funds were used as specified by Proposition 30, and the additional cost of the audit would be an allowable expense from the EPA. If EPA funds are not expended in accordance with the requirements of Proposition 30, civil or criminal penalties could be incurred.

No specific format for taking the EPA expenditure plan to the board has been identified by Proposition 30, so it is up to local agencies to design the board item. However, each local agency should present to its board the expenditure plan for 2014-15 as soon as possible so that the expenditures can be appropriately applied to the EPA on the local agency's financial system before the end of the year.

For 2014-15 through 2017-18, the rest of the years that Proposition 30 will be effective, the EPA spending plan should be approved by the board at the time the budget for each year is adopted.

Financial Impact:

There is no net financial impact to CUSD, as these funds have already been budgeted.
