Claims will be reported as: Below Standard At or Near Standard Above Standard

California Standards Test in Science (CST)
Note: Some classes and grades have begun the transition to the Next Generation Science Standards (NGSS). For those classes there is a discrepancy between instruction and the assessment. A new science assessment aligned to the NGSS in anticipated in 2018-19. Until then students in grades 5, 8, and 10 will be assessed on CST per federal mandate.
