## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### Schoolwide Program

The three goals outlined in this SPSA (Learning, Communication and Support) directly align to CUSD's three Governing Board Goals, three LCAP goals, the LRP goals and the LCAP Federal Addendum.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

CMS will provide students with an equitable, high quality education to support student success and achievement. The three goals in the area of learning, support , and communication

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

CUSD facilitates multiple surveys throughout the year to gather feedback from parents, staff and students via Thoughtexchange.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The CUSD Certificated Evaluation Process requires: Three formal observations for probationary or temporary teachers in their first two years of teaching in the district, one annual formal observation for intermediate teachers (years 3-6), and biennial observations (formal or series of informal) for experienced teachers. Frequent informal walkthrough observations of teachers occur on a daily and weekly basis. Per negotiations in Spring of 2021, new observation and evaluation system is being piloted in the 2021-2022 school year. Full implementation will occur in the 2022-2023 school year.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CAASPP Data 2021 - Student Group Report: Students with Disabilities dipped in ELA but increased in Mathematics. All other student groups maintained meeting or exceeding proficiency goals. Individual student data was assessed and used by departments and English and Special Education Teachers to target students specific need to support growth.

All departments have access to data and data is reviewed during staff meeting and department meetings. Department teams then meet to discuss CAASPP data and local assessments and/or classroom assessments to identify areas of growth and need for all students as well as individual students. Additionally, departments use this data to write individual or department goals.

The math department uses common assessments across all courses. CAASPP IAB's were administered twice this year. Assessment data is analyzed and instructional decisions are made to support areas of weaknesses as shown by the data.

The English Department uses CAASPP data to make instructional decisions to support areas of weaknesses. CAASPP IAB's were administered twice this year. Additionally, common assessments are used, formally and informally, to track growth and needs. English 8 Foundations also uses Read 180 curriculum and data.

The Science Department has common grade level assessment with embedded NGSS based questions and performance tasks and formal and informal assessments, project based assessments and inquiry based assessments to measure student learning. The teams assess data to determine standards that need more support. They will now have CAST data to analyze.

The Electives Department uses data to support student growth as well as rubrics to assess project based learning and content.

The History Department uses formal and informal assessments, project based assessments and inquiry based assessments to measure student learning. Grade level teams collaborate to assess test data and revise assessments based on student achievement. Data is also used to review/reteach difficult topics as well as to target areas in curriculum to modify or revamp.

The PE Department uses Fitnessgram testing results to look support curriculum and design lesson plans to ensure a high level of achievement on the Fitnessgram test.

Departments are using question structures aligned to the CAASSP assessment system.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

1. Based on student assessment and grading data, CMS has three support classes.
  - a. Math Lab - this intervention class is for students in grades 6-8 who are not at a proficient level and have gaps in their mathematics. This class provides students with the opportunity to supplement mathematics gaps and basic concepts such as number sense to support success in their regular math class. This class takes the place of their elective.
  - b. Literacy Lab - this intervention class is for students in grades 6-8 who are not at a proficient level and have gaps in their reading and literacy skills. This class provides students with the opportunity to supplement literacy gaps with the Read 180 program to support success in their regular ELA class. This class takes the place of their elective.
  - c. English 8 Foundations - This class serves as an 8th grade student's English class. With the use of Read 180, Amplify curriculum, and additional supplemental support, this class provides an individualized learning plan with the opportunity to build literacy proficiency and supplement ELA gaps
- 2 Math and ELA Co-taught classes in all grade levels for students with disabilities (one general education teacher and one Special Education Teacher)
3. ELD class for English Learners

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All staff are qualified teachers.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All CMS teachers are provided with professional learning opportunities via off site conferences, on site professional learning on minimum days, and on site release days to collaborate as a team. Release days may include collaborative teams, department and/or grade level subject teams, curriculum training, building common assessments, developing, planning and aligning lessons. Department teachers with new curriculum are provided with training. Additionally, teachers attend weekly, Wednesday afternoon meetings. The meetings rotate throughout the month:

\*Staff

\*Department

\*Grade Level

\*Professional Learning

Agendas and minutes are shared, and administration provides comments.

Data is used, as appropriate, in all meetings.

All teachers have access to district and county professional development.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Time is allotted for collaboration and prep within departments, grade-level articulation, PLC-individualized planning and data assessment. Multi-tiered Systems of Support (MTSS) development and implementation is taking place in all classrooms.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

CMS Department Leaders - Lead teacher (chairperson) in each department  
ongoing professional learning on meeting days  
BTSA Support Providers for Year 1 and 2 teachers  
Technology Resource Teacher on site

CUSD has TOSA's that support CMS teachers in:

1. Math/Science
2. English/ELD
3. Technology Resource Teacher lead

SPED coordinator

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

All teachers are given a prep period to plan, daily. Every Wednesday 1.15 hours are provided to staff for one of the following meetings: grade level meetings, department meetings, PLCs, and staff meetings. This time is used to develop, plan, align lessons, and review data.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

CMS Math, English, History, Science and PE Departments are all grade level aligned in curriculum content and common assessments

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

CMS master schedule adheres to daily minutes of mathematics instruction and ELA instruction. (241 minutes of mathematics weekly) and (241 minutes of ELA weekly)

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

CMS master schedule provides appropriate grade level pacing and flexibility for intervention courses such as Math Lab, Literacy Lab, English 8 Foundations, and co-taught ELA and Math classes at all grade levels.

## Availability of standards-based instructional materials appropriate to all student groups (ESEA)

CA aligned curriculum:  
ELA - Amplify curriculum  
History - Discovery Education  
Mathematics - CPM College Preparatory Mathematics  
Science - Savvas  
Spanish - Prentice Hall  
PE - Glencoe - pilot needed

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

N/A

## Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

CMS offers Co-taught Math and English classes for all grade levels to provide specialized academic instruction to underperforming students.  
Math leveling at all grades  
English 8 Foundations - Read 180, Amplify, supplemental resources and novels - 8th grade only  
Literacy Lab Intervention - Read 180 All Grades  
Math Lab Intervention - All Grades  
Academic Support- students with IEP's

## Evidence-based educational practices to raise student achievement

Co-taught educational environment.  
Intervention classes  
Department and grade level articulation re academic needs and success  
Counseling department tracking and setting student improvement goals and plans with students on Choices (less than a 2.0 GPA)  
Collaboration with teams  
Data aggregation and regular data review  
Data driven instruction

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Monthly PTO meeting with access to site principal for important issues that impact under-achieving students.

Principal sends letters directly to students in need of support classes to garner a team effort in helping improve achievement of under-achieving students.

Principal sends letter to parents with GPA less than a 2.0 at end of each grading period.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

N/A

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

N/A

Fiscal support (EPC)

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

The CMS School Site Council met on 10/26/21, 1/25/22, and 4/12/22. The SSC is comprised of teachers, parents, students, classified staff and the principal. Site administrators and TLT meet eight times a year to develop and discuss key actions for student achievement. TLT members met with their department, monthly, to discuss and provide input on key actions. TLT then worked with administration to organize input and develop goals for the School Plan for Student Achievement (SPSA).

During the year, the SSC reviewed CAASPP data, LCAP goals, MTSS (Multi Tiered Systems of Support) process and plans, department and curriculum updates, as well as reviewed and approved the CMS Emergency Plan. Additionally, key actions and goals were updated with input from staff, students, and parents. The CMS School Plan for Student Achievement (SPSA) was presented and approved on 4/12/22.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There are no resource inequities identified at this time.

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	0.27%	0.26%	0.3%	2	2	2
African American	0.96%	0.79%	0.8%	7	6	5
Asian	2.06%	1.83%	1.6%	15	14	10
Filipino	1.78%	1.7%	1.9%	13	13	12

Pacific Islander	0.55%	0.52%	0.2%	4	4	1
White	61.87%	56.94%	59.0%	451	435	372
Multiple/No Response	9.33%	8.9%	8.7%	68	68	55
<b>Total Enrollment</b>				729	764	631

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Grade 6	245	255	174
Grade 7	245	262	226
Grade 8	239	247	231
<b>Total Enrollment</b>	729	764	631

### Conclusions based on this data:

1. CMS had a dip in enrollments due to COVID during the 20-21 school year.
2. CMS has had a small increase in total enrollment during the 21-22 school year. This may be due to more military families being stationed in Coronado, students returning after COVID, and/or interdistrict transfers.
3. Student group demographics haven't had a significant amount of change in the past 3 years.

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	24	21	17	3.3%	2.7%	2.7%
Fluent English Proficient (FEP)	86	98	76	11.8%	12.8%	12.0%
Reclassified Fluent English Proficient (RFEP)	6	10	9	24.0%	41.7%	42.9%

### Conclusions based on this data:

1. The percentage of CMS students who are English Learners has been below 4% for the past 3 years. This can be attributed to adoption of new ELA curriculum and increased scaffolds provided in classes
2. The percentage of CMS students who are Fluent English Proficient (FEP) has held steady, hovering around 12.0%
3. The number of CMS students who are Reclassified Fluent English Proficient (RFEP) has been a total of 10 or below for the past 3 years.

**Conclusions based on this data:**

1. In the domain ELA: In 20-21 school year, a total of 75% of CMS students met or exceeded standards in ELA. This decreased by 4% since the 18-19 school year. This could be partially due to zoom learning because of COVID.
2. In the domain of Writing: Producing Clear and Purposeful Writing, the number of students who scored below standard increased by 4% since the 18-19 school year. 88% of students scored above or at/near standard in overall writing.
3. In the domain Reading: There was a 2% decrease in students below standard, going from 7.07% in 18-19 to 4.92% in 20-21

**Conclusions based on this data:**

1. In 2020-21, the overall achievement in Math for students who did not meet standard increased by 7%. A total of 54% of CMS students met or exceeded standards in this area. Important to take into account that most of the year was conducted via zoom and not in person.
2. In the domain: Communicating Reasoning, 89% of students were at above or at/near standard. This is almost identical to the 18-19 school year, although the amount of above standard decreased and at/near standard increased. Again, teaching at home was not optimal and had a significant impact on all student scores.
3. There was a dramatic increase in students who were at/near standard, moving from 44% to 59%, while the above standard decreased from 43% to 24%.

**Conclusions based on this data:**

1. There is not enough data to determine valid conclusions, however, the new ELPAC assessment provides a much more reliable evaluation of student proficiency levels than the previous assessment. Overall, EL students continue to need scaffolding and appropriate interventions via ELD class and general education classes.

## Student Population

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021.

This section provides information about the school's student population.

<b>631</b>	<b>12.7</b>	<b>2.7</b>	This is the percent of students whose well-being is the responsibility of a court.
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

Filipino	12	1.9
Hispanic	149	23.6
Two or More Races	55	8.7
Native Hawaiian or Pacific Islander	1	0.2
White	372	59.0

### Conclusions based on this data:

- 59% of CMS students are White, 23.6% are Hispanic, and 8.7% are two or more races, about 9% is all other race/ethnicity groups.

2. Almost 12% of all CMS students have an IEP/ student with disabilities.

3. Almost 13% of CMS students are socioeconomically disadvantaged.

#### Conclusions based on this data:

1. Overall Mathematics for CMS scored a very high (blue) on the performance indicator, and in ELA a high (green) on the overall performance indicator. Multiple years of CPM mathematics and extensive teacher training has a direct impact on increases
2. CMS earned orange on overall Chronic Absenteeism indicating a need to increase student attendance through Saturday School and school wide incentives..
3. CMS earned orange on overall Suspension rate indicating a need to decrease numbers of suspensions through implementing MTSS and strengthening student culture

**Conclusions based on this data:**

1. CMS will analyze exact suspensions numbers of Hispanic, two or more races, and white populations as well as students with disabilities and determine a level of support to decrease suspensions.
2. CMS students have a 30 minute advisory period 4 days a week and will discuss school agreements, policies, The Triton Three, and the implementation of MTSS (multi-tiered systems of support).
3. CMS will investigate better systems for student discipline and restorative practice approaches

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Learning: Key Actions and Services

## LEA/LCAP Goal

Integrate personalized learning with assessment methods that will prepare all students for academic and vocational success.

## Goal 1

CMS will provide programs and structures that ensure every student experiences personalized learning opportunities that support academic strengths, needs, goals, interests, and curiosity.

## Identified Need

Increase student percentage of ELA CAASPP scores for all student groups.  
Provide time for staff to collaborate and plan together.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
100% of students will use Thrively to document goals, strengths, and reflections. 100% of students will add content to their PowerSchool e-portfolio.	21-22 100% of students used Thrively to explore interests and strengths and document goals and reflections in their T3 class.	22-23 100% of students will use Thrively to explore interests and strengths and document goals and reflections 100% of students will add content to their PowerSchool e-portfolio
Teachers will use annual CAASPP SBAC data, at least once a year, to inform instruction and support student needs. ELA and Math teachers will administer and use interim assessment data two times a year. All teachers will use Illuminate to analyze student achievement data.	CUSD is currently adopting Illuminate software as a data collection tool.	100% of teachers will assess the 2021 annual CAASPP SBAC data to inform instruction and support student needs. ## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

### Strategy/Activity

1.1 CMS will continue to use Thrively (online platform) to discover, develop, and reflect on student strengths, interests, and goals.

#### Action Steps:

- -Continued Professional Development for staff around the use of Thrively
- -Students will use Thrively weekly during T3.
- -Via Thrively, students will document and track their goals, reflections and growth over time
- -Implement a career day during College and Career readiness month – work in collaboration with k-12 workforce counselor
- -Access CHS and/or college students.
- -Provide interest survey
- -Student reflection on goals two times a year

### Proposed Expenditures for this Strategy/Activity

1.2 Staff will use multiple measures of data to inform instruction and support all learners.

Action Steps:  
 Train and use Illuminate (assessment database) with staff  
 Implement a CUSD local assessment and assessment calendar - SBAC interim assessment in ELA and Math

Staff will use the following data:

- -SBAC data from Spring 2022
- -SBAC Interim Assessment data
- -Grade level department common assessments and collaboration
- -Math MDTP data
- -Lexile data
- -PE Fitnessgram data
- -Read 180 data and intervention classes (math and literacy) and EL classes
- -Use and track data: SBAC, Lexile, SBAC interim assessments, PE data

1.3 Site-wide focus on building student communication skills by focusing on speaking and listening standards across all contents.

Action Steps:

- Review SBAC data from June 2022
- Staff PL and ongoing discussions on speaking and listening strategies
- Shared best practices
- Use of Innovation lab (iLab) to support STEM integrated learning in all discipline areas
- Students access choice activities in all classes
- Continue to provide robust elective opportunities
- T3 Advisory period lessons and reflections
- Student reflection activities in all subject areas
- Develop a shared resource folder

Strategy/Activity

1.4 Increase/maintain sub group SBAC CAASPP scores. Increase percentage of students with disabilities meeting or exceeding standards in ELA and maintain or increase in Math.

Action Steps:

- Continue co-teaching with SPED support at each grade level
- Provide Literacy Lab 6-7 intervention class for struggling students
- Provide English 8 Foundations class for struggling students
- Maintain co-taught section sizes at 30 or fewer students and 30% or fewer IEP/504/SST students
- Maintain special education caseloads around 25 students to allow for intensive supports and frequent family collaboration

1.5 All departments will continue to support student literacy to increase the number of students above standard on ELA SBAC Cluster Listening/Demonstrating effective communication skills

**Action Steps:**

Align literacy skills 6th through 8th grade across subject areas

Focus on student talk:

- -Provide more opportunities for students to build speaking and listening skills through Socratic seminars, debates, Amplify Quests, accountable talk, Flipgrids, and other programs
- - Quality of questioning to deepen understanding
- -DOK levels
- -Student connections to content
- -Setting expectations and opportunities for student talk
  
- Literacy Lab intervention class for grades 6-7 to increase foundational literacy skills through use of READ 180 curriculum
- English 8 Foundations class to increase foundational literacy skills through use of READ 180 curriculum
- Professional learning opportunities for ELA Dept. with other Departments
- Utilize opportunities for students to build close reading and annotation skills across departments

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Information is easily accessible by all stakeholders. Analyze CUSD communication systems to determine if streamlining of any will make readership increase.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to inaccurate communication information (cell phone and/or email) in our student information system (Synergy) not all stakeholders receive the weekly communication. That information is self reported during the annual online registration process.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Provide a parent night at the beginning of the year, hosted by CMS counselors, to discuss how to access LMS and Synergy information as well as presenting SEL material related to middle school students. Increase readership of The Weekly Trident and website content.

3.3 Continue to update CMS safety plan and hold appropriate safety drills annually.

Action Steps:

- Vet plan with School Site Council
- Implement practice drills in conjunction with community safety authorities to determine needs
- Implement feedback and outcome from previous years.
- Determine need for additional supports which may be helpful or necessary
- Hold run, hide, fight trainings for staff
- Continue to implement out of class protocols ex. halls, bathroom passes, check out system- Kiosk
- Use of campus security assistant - increase training
- Consistent unified messaging

3.4 English Learners (EL) and Reclassified Fluent English Proficient (RFEP) students will continue to improve reading, writing, speaking, and listening skills in English to be college and career ready.

Action Steps:

Professional learning time dedicated to evaluating data in order to scaffolding for ELD and RFEP students to access content

Track CAASPP, ELPAC and ELD class assessment data and share for teacher use

Continue use of READ 180 curriculum for ELD class

Use the speaking and listening strategies presented by the learning department and colleagues to shelter and scaffold the speaking and listening standards for ELD and RFEP students.

Increase focus on speaking and listening standards, specifically language for academic discussion and collaboration

**Action Steps:**

Key actions are dependent on feedback and outcome from previous years.  
Use student concerns lists and continue to track attendance of all students twice a month.  
Attendance Action Team will continue to meet to support student attendance and hold SART/SARB meetings  
Provide Saturday School and Make – up Day opportunities  
Continue to educate parents as to the benefits of positive student attendance (other than for financial reasons such as ADA money for schools)  
Provide attendance information in Spanish  
Survey parents regarding cause/trends

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

MTSS committee trained staff and implemented social -emotional and behavioral supports including the Triton 3. We implemented Thrively into T3. Attendance has presented some challenges due to Covid19. The ELPAC has provided a more rigorous assessment of EL students who still need to work on speaking and listening skills. More streamlined supports have been put into place for student academic interventions as well as developing a school community of connectedness. All safety drill were successfully held.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Attendance tracking challenges due to COVID19. Overall implementation of the strategies/activities are as described

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No changes were added to this goal. Additions are found int he activities

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 4 Secondary Students

Name of Members	Role
Brooke Falar	Principal
Kevin Ramirez	Classroom Teacher
Kimberly Pittner	Classroom Teacher
Cara Hetrick	Classroom Teacher
Liz Josset	Other School Staff
Janice Bryant	Other School Staff Parent or Community Member
Shannon Litchy	Parent or Community Member
Alexia Palacios Peters	Parent or Community Member
Rodolfo G.M.	Secondary Student
Maggie B.	Secondary Student
Austin I.	Secondary Student
Calvin P.	Secondary Student
Sophia K.	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

Departmental Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on April 19, 2022.

Attested:

Principal, Brooke Falar on April 19, 2022

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## Instructions: Linked Table of Contents

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school's identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school's identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
