

How Will You Hear From the District

URGENT SITUATIONS*

Emails, Text Messages, and/or Phone Calls:

Direct communication through our automated system on important topics or urgent matters.

EMERGENCY SITUATIONS*

In the event of an emergency, we will work in close collaboration with law enforcement; we will always balance our duty of care and safety to students with the desire to effectively communicate accurate information with our shareholders. Unofficial social media makes this challenging. Trust that communications from CUSD will be factual and timely while prioritizing the immediate safety of our students and staff. As part of our CUSD community, during emergency situations, you can expect to hear directly from the district through phone/text/email.
