

Library Materials Notification Opt-In Form

Dear Parent/Guardian,

We are committed to providing our students with a comprehensive and enriching education that encourages critical thinking, curiosity, open-mindedness, and a love for learning. As part of our efforts to foster a robust and inclusive learning environment, our high school library has been curated to include a broad range of literature and research material.

Some books in our secondary library collection include sensitive topics such as violence, sexual content, profanity, and drug-use. As partners in education, we recognize that parents and guardians can help students navigate and enrich their understanding of new and/or sensitive topics by encouraging discussions at home outside of the school day.

Our Library Materials Opt-In Notification policy allows parents to be informed by email when materials are checked out of the library by their student. If you would like to opt-in to receive notifications of the books and other instructional materials being checked out to your student, please complete the information below. Upon submission of the Opt-In Form, your student's account will be updated in the library checkout system. This form will be valid until the end of your student's enrollment with Coronado Unified SD. **Completed forms must be returned to the School Front Office.**

Opt-in to receiving email notification regarding my student's library account

_____ Initial

_____ Student Full Name (PRINT)

_____ Student ID Number

_____ Parent/Guardian Signature

_____ Date

_____ Parent/Guardian Name (PRINT)
