Dear Parents:

Silver Strand Elementary entered into a partnership with United Through Reading (UTR) to be a host site for their program. Please find attached information about UTR, which offers military parents who are going on deployment the opportunity to be filmed reading a story aloud and recording messages to their children. The filmed session is then burned onto a DVD and given to the family so it can be watched whenever desired while the deployed parent is gone.

If there is a military parent in your family who will be deploying soon and would like to take part, please complete the form below and return it to school. You will then be contacted by one of our volunteer parent coordinator (and military parent herself), Janelle Price, to arrange a filming session not to exceed thirty minutes. There will be assorted books available to choose from for reading, but parents are encouraged to bring a favorite book of their family's from home. Filming will always be done in private, and will take place in a dedicated location in our Military Connections Room.

Email contact information for Janelle is noted below. Thanks, as always, for your time and consideration.

Sincerely,
Jenny Moore, Principal
Janelle Price, Parent Volunteer, janelle.price27@hotmail.com

Please complete the information below and return it to our school office.
