

Application Letter to Household School Year 2024-2025

Dear Parent or Guardian:

The Coronado Unified School District (CUSD) participates in the National School Lunch Program and/or School Breakfast Program. All enrolled students will receive nutritious meals free of charge every school day. **Beginning school year 2022-23, all district schools will participate in the California Universal Meals Program, AB 130, which requires public school districts serving students in grades K–12 to provide two meals free of charge (breakfast and lunch) during each school day to students requesting a meal, regardless of their free or reduced-price meal eligibility.**

The meal programs we participate in are supported by federal and state reimbursements that are based on household income and eligibility. Completing a household meal application supports the district in maximizing funding to the nonprofit child nutrition program. Submission of a household meal application may help the district qualify for additional funding and provide students and households with educational and community discounts.

Your participation is greatly appreciated. You and your children do not have to be U.S. citizens to qualify. Beginning July 1, 2024, households can submit applications for the 2024-25 school year. You may complete the paper application and return it to your school, or apply online at www.myschoolapps.com.

Qualification

Your children may qualify for free or reduced-price meals if your household income falls at or below the federal Income Eligibility Guidelines below.

Applying for Benefits

An application for free or reduced-price meals cannot be reviewed unless all required fields are completed. A household may apply at any time during the school year. If you are not eligible now, but your household income decreases, household size increases, or a household member becomes eligible for CalFresh, California Work Opportunity and Responsibility to Kids (CalWORKs), or Food Distribution Program on Indian Reservations (FDPIR) benefits, you may submit an application at that time.

Direct Certification

An application is not required if the household receives a notification letter indicating all children are automatically certified for free meals. If you did not receive a letter, please complete an application.

Verification:

School officials may check the information on the application at any time during the school year. You may be asked to submit information to validate your income or current eligibility for CalFresh, CalWORKs, or FDPIR benefits.

Women, Infants, and Children (WIC) Participants

Households that receive Special Supplemental Nutrition Program for WIC benefits, may be considered eligible for free or reduced-price meals by completing an application.

Homeless, Migrant, Runaway, and Head Start

Children who meet the definition of homeless, migrant, or runaway, and children participating in their school's Head Start program are considered eligible for free meals. Please contact: Kami McElligott at 619-522-8900 x1025 or email: kami.mcelligott@coronadousd.net.

Foster Child

The legal responsibility must be through a foster care agency or court to qualify for free meals. A foster child may be included as a household member if the foster family chooses to apply for their nonfoster children on the same application and must report any personal income earned by the foster child. If the nonfoster children are not considered eligible, this does not prevent a foster child from being considered eligible for free meals.

Fair Hearing

If you do not agree with the school's decision regarding your application's determination or the result of verification, you may discuss it with the hearing official. You also have

the right to a fair hearing, which may be requested by calling or writing to the following: Donnie Salamanca, 201 6th Street, Coronado, CA 92118 or call 619-522-8900 x1016.

Eligibility Carryover

Your child's eligibility status from the previous school year will continue into the new school year for up to 30 operating days or until a new determination is made. The CUSD carryover period ends on October 4, 2024, your child's meal eligibility will expire unless your household receives a (school year 2024-25) notification letter for free or reduced-price meals. School officials are not required to send a reminder or expired eligibility notices.
