

Child and Youth Programs

Direct Specialized Training for Education Professionals

The Navy Child and Youth Program brings you LRP Publications' **DirectSTEP® eCourses** FREE of charge.

Parents and educators both play a critical role in educating students with disabilities. Navigating the complexities of special education laws and procedures can be challenging for all involved. It is important that both parents and educators know how to comply with the legal requirements in every decision, every class-room, every program – every day.

DirectSTEP® eCourses explain legal requirements and best practices for behavior management, autism, IDEA eligibility, IEPs and more. They also teach parents and educators how to handle critical education issues to obtain positive outcomes while applying education laws to the day-to-day world of teaching and learning. These eCourses are available for use by all Sailors, parents, Military/DoD personnel assigned to Navy installations and K-12 educators serving military children.

With each eCourse you will:

- Receive the highest quality training developed by respected special education experts
- Learn at your own pace for the greatest possible comprehension and retention
- Take courses based on individual training needs and interests
- Engage in learning through quizzes and activities
- Learn how to make decisions that are educationally and legally sound
- Receive a certificate of completion
