ON-CAMPUS REOPENING PLAN
SILVER STRAND ELEMENTARY SCHOOL

Instructional Minutes Requirements

Kindergarten	180 minimum daily minutes
Grades 1 – 3	230 minimum daily minutes
Grades 4 – 12	240 minimum daily minutes

Dear Families,

We are excited to welcome your student back to campus. Below you will find an overview of the on-campus cohort procedures and logistics that will help ensure we are able to get your children safely on and off campus each day. Please familiarize yourself with these procedures and general safety protocols that are based on the most up to date guidelines from CDC, state and local public health, and Board Policy. Please understand that adherence to these guidelines is what allows us to be open and bring kids back to school in-person. Your support in making sure these guidelines are followed is greatly appreciated. Please refer to the [CUSD Safe at School Reopening Plan](#) for more detailed information related to health and safety protocols.

BELL SCHEDULE

MTWTH In-Person Half-day AM/PM Schedule

- AM Cohort: 8:00-10:45 AM

Transition Lunch Break	Transition Lunch Break	Transition Lunch Break	Transition Lunch Break	Lunch Break
12:15pm - 3:00pm PM COHORT On Campus (Reading, Math, ELA) AM COHORT BRIDGE (PE, Specials, Etc.)	12:15pm - 3:00pm PM COHORT On Campus (Reading, Math, ELA) AM COHORT BRIDGE (PE, Specials, Etc.)	12:15pm - 3:00pm PM COHORT On Campus (Reading, Math, ELA) AM COHORT BRIDGE (PE, Specials, Etc.)	12:15pm - 3:00pm PM COHORT On Campus (Reading, Math, ELA) AM COHORT BRIDGE (PE, Specials, Etc.)	12:15pm - 3:00pm Teacher Meetings, PD, Collaboration, Preparation, Etc.

BRIDGE Learning Schedule Specifics TBD

ARRIVAL/DEPARTURE TIMES, MAPS & LOGISTICS

Silver Strand Partial Return to Campus Safe Arrival and Dismissal Plan

Students will follow dots and signs which will provide distance as well as directions to gates. We are limiting access to our front office and encourage business to be conducted via phone or email. Students who are late to school may report to the office if gates are closed. Family members of students in grades 1-5 are discouraged from escorting students up to gates to avoid crowding; TK and Kindergarten parents may escort to the kindergarten gate but not enter campus. Please drive and drop off efficiently in the drop-off lane with your child exiting the car at the curb (not street side). Please reserve parking spaces at the back of the staff lot and in front of school/neighborhood for families of TK/Kindergarten students.

- **4th and 5th graders** will enter and exit campus through the gate at the lunch area through the staff parking lot starting at 7:50 AM.
- **2nd and 3rd graders** will enter and exit campus through the gate between Strand Hall and the office (to the left of the mosaic)
- **1st graders** will enter and exit campus through the gate between the office and library.
- **TK and Kindergarten**ers will enter campus through the gate west of the library and will be released first at dismissal.

DAILY SYMPTOM SCREENING

Student Policy:

- Parent/Guardian has completed the Health and Safety Agreement for In-Person Instruction.
- The Health and Safety Agreement for In-Person Instruction will be brought to school on the first day of in-person instruction. Student will show the form at the gate and turned into the teacher.
- By signing the agreement, parent agrees that their student is symptom free and does not have a temperature about 100.0 degrees.
- Parent must keep student home when experiencing any of the COVID-19 symptoms identified by the CDC.

Staff Policy:

- All staff has completed the Health and Safety Agreement for being present in the school building.
- Staff members must stay home and contact their supervisor when experiencing any of the COVID-19 symptoms identified by the CDC.

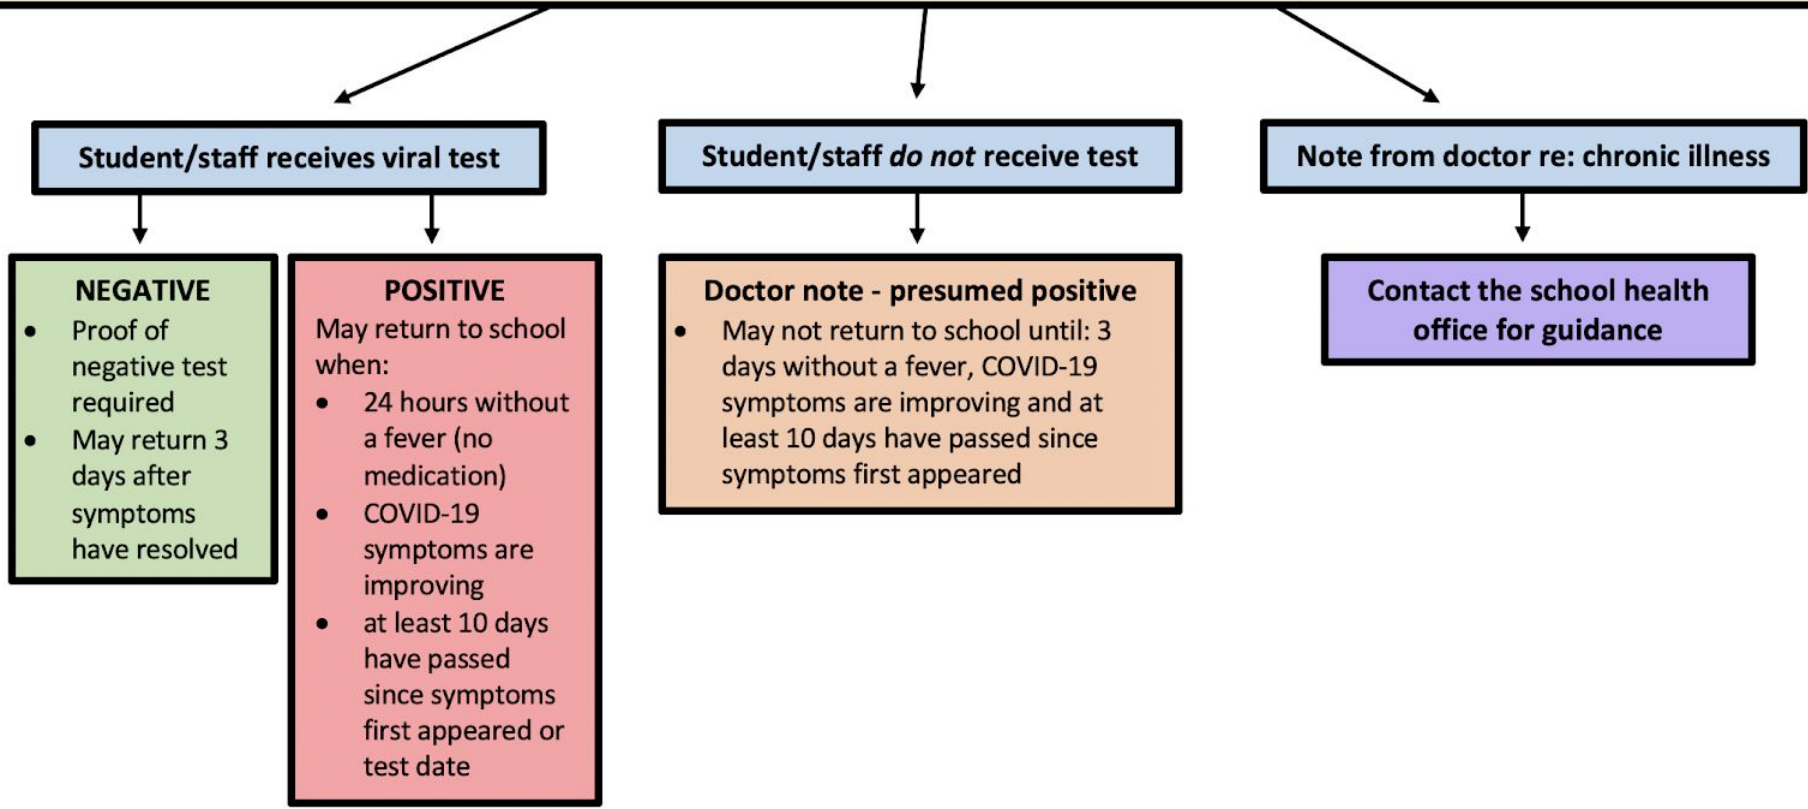

COVID-19 Symptoms:

Kid-Friendly Version	Adult Version
<i>Yesterday or today, have you, or someone living with you, had:</i>	<i>Within the last 24 hours, have you, or someone living with you, had:</i>
Fever greater than 100.0	Fever greater than 100.0 F
Chills or feeling sick	Chills
Cough or difficulty breathing	Cough
	Shortness of breath
	Difficulty breathing
Feeling really tired	Fatigue
Head hurts	Headache
Feeling "achy"	Muscle or body aches
Not able to taste or smell	New loss of taste or smell
Sore throat	Sore throat
Runny or stuffy nose	Congestion or runny nose
Feeling sick to the stomach or time you "threw up"	Nausea or vomiting
Runny poop	Diarrhea
Been around someone with COVID	Close contact with someone testing positive for COVID19

RESPONSE TO COVID-19 SYMPTOMS AT SCHOOL

At school, if a student or staff member develops any one of the following symptoms (symptom is new and not directly related to a chronic, pre-existing condition that causes the symptom, of which school personnel is already aware), then the student/staff is to stay home until...

- fever greater than 100.0 degrees
- chills
- cough
- shortness of breath
- difficulty breathing
- fatigue
- headache
- muscle or body aches
- new loss of taste or smell
- sore throat
- congestion or runny nose
- nausea or vomiting
- diarrhea
- close contact with someone testing positive for COVID-19

- **Classroom cohort closes** if 5% of students and teachers in a classroom test positive for the virus, followed by 14 days of quarantine
- **School closes** if students and teachers experience a 5% positive testing rate followed by 14 days of quarantine
- **District closes** if 25% of schools in the district are closed (for CUSD, that is one school)

PHYSICAL DISTANCING & COHORTS

Students will stay with the same class/cohort for the day as much as practicable. Every effort will be made to minimize interactions between cohorts.

All students and staff are expected to practice social distancing whenever practicable. All activities must allow for physical space between staff and students. Physical distancing signage and markers will be displayed/posted throughout the campus to remind students and staff to physically distance. Students are expected to physically distance themselves as much as possible in the following settings (six feet as practicable):

- Arrival to school and departure from school
- Inside classrooms (all classroom furniture will be arranged to provide for physical distancing)
- Outside during breaks (playgrounds are not available at this time; other physical stretch breaks/'recess' activities will be provided)
- Inside restrooms
- During the before-and-after school Champions program
- During all campus activities

FACE COVERINGS

All students in grades TK-12 and staff are **required** to wear a face covering at all times while on the school campus. This is one of the conditions for reopening to in-person instruction. There will be masks and face shields available and provided to students or staff who do not have a face covering. Following the most recent guidelines from CDPH, vented masks, bandanas and gaiters are not permitted, as they offer less protection.

LUNCH

Weekly breakfast and lunch meals are provided by the Child Nutrition Services Department, free of cost, on Mondays through bulk meal distribution. There will also be free daily meals available for those students in need. These meals must be ordered one week in advance through Charity Campbell (charity.campbell@coronadousd.net), Director of the Child Nutrition Services Department.

SANITATION

CUSD has increased cleaning and disinfecting practices in order to reduce the spread of germs and protect against a potential COVID-19 outbreak. Strategic efforts will be made to decrease the use of common areas such as leaving doors open, instead of multiple hands opening and closing doors. Desks, classrooms and common use areas will be cleaned and disinfected twice daily, between the AM/PM cohorts and in the evenings. Additional sanitation measures will include routines for frequent hand washing and use of hand sanitizer.

DRINKING FOUNTAINS

Drinking fountains will not be available. Water filling stations will be available on campus. Please be sure to provide a water bottle to your child each day.

TECHNOLOGY

Students should leave devices at home. Devices will be required for asynchronous learning activities when your student is not on campus. Teachers will instruct students if/when they will need to bring their device to class for a specific activity.

CLASS MATERIALS

The following items are permitted to travel between home and school:

- Backpack/Tote Bag
- Teacher required materials (please refer to grade level chart below)
- Water bottles
- Snack
- Sweatshirt/jacket/sweater

The following items will not be permitted at school:

- Toys
- Blankets
- stuffed animals
- electronics
- non-recommended school supplies
- Etc.

TRAINING

All staff and students will receive thorough training on campus health and safety protocols and procedures (hand washing, sanitizing, arrival and departure procedures, social distancing, etc.). Parents should also reinforce these routines and behaviors at home. Teachers and parents can use the following videos for educational training purposes:

- [How to Properly Wear a Face Covering](#)
- [Handwashing](#)
- [Social Distancing](#)
- [COVID-19 Videos for Kids and Parents](#)
