## FARM TO SCHOOL

We feel it's important for your student to make a connection with what's on their tray and where their food comes from. That is why we partner with *Food 4 Thought* to bring the freshest seasonal produce to your school's cafeteria. Through their 'Farm to School' program they are able to partner with small, family-owned California farms that share a commitment to student health and nutrition. Picked on Monday and "straight to the plate" on Thursday and Friday...ENJOY THE HARVEST!
